# Ringin' for the Olympic Games

As you may have read in the press, the London Organising Committee for the Olympic Games has called for all kinds of bells – including church bells - throughout the country to be rung at 8.12am for three minutes on Friday 27<sup>th</sup> July to celebrate the opening of the London Olympics.

The Stoneleigh bell ringers would like to join in this event and plan to ring the bells at the time suggested for a short while. However, we do realise that this is an unusually early time for the bells to be ringing out, so if anyone objects to this or feels it will be intrusive, please do let us know beforehand by contacting me on 01926 512309. We would then arrange a later time in the day to 'ring out for the Olympics'.

# *After the Stoneleigh Diamond Jubilee Celebrations, 2<sup>nd</sup> June 2012*

*It began with Stoneleigh Village* looking very festive with decorations of flowers, flags and bunting. On the Saturday, in spite of a very damp start for the setting up in the morning, the rest of the day stayed dry. Weren't we fortunate with the weather?!

The church looked wonderful with the beautiful flower displays, and later in the afternoon it turned into a huge tea party as it became packed with people enjoying tea and cakes. It was good to see so many village residents joining together, young and old, some with visiting families and friends, sharing the fun of all the activities.

Thank you for the many positive comments that have been received about the day. We are indebted to the great team of volunteers who all worked so well together, often in the rain, from Friday until Sunday to prepare and then to clear up afterwards. Such a lot of hard work - THANK YOU! The sing-along with Alan and the Male Voice Choir made a great flag-waving finale to a memorable day for Stoneleigh Village.

It is planned to have an evening on Friday 14<sup>th</sup> September at 7.30pm in the Village Hall to show the video of the day as well as a display of the photographs taken. Copies can be ordered and paid for on the night. The photo show of Stoneleigh Past and Present will also be shown again (by request). If anyone has some good photos of the Jubilee celebrations and would like to share them, please email [blagburn@talktalk.net](mailto:blagburn@talktalk.net) or call 024 7641 5405.

Those who wish to come on 14<sup>th</sup> September should contact:

Sarah Ballinger	024 7671 5256
Sheila Woolf	<a href="mailto:shewoolf@hotmail.com">shewoolf@hotmail.com</a>

Numbers will be limited, so please reserve tickets in advance. A small charge will be made to cover the hire of the hall and refreshments. Further information to follow later.

## *High Speed Rail Latest*

*The past month has seen* a tremendous amount of media speculation about the likely future of the HS2 project. However, there has been very little progress in terms of the promised discussions about mitigation and compensation which HS2 Ltd had originally promised would be introduced in Spring 2012. The second Community Forum for Kenilworth-Stoneleigh-Stareton and Stoneleigh Park had been announced for late May, but will now be held on 26<sup>th</sup> June. We await a date with the HS2 Engineer to discuss our own mitigation proposals. Meanwhile, several constructive meetings have been held between local action groups and Warwick District Council.

For up-to-date information, check the official site of HS2 - [www.hs2.org.uk](http://www.hs2.org.uk). For the Department for Transport comments, see [www.dft.gov.uk/topics/high-speed-rail](http://www.dft.gov.uk/topics/high-speed-rail).

As always, [www.hs2actionalliance.org](http://www.hs2actionalliance.org), [www.stophs2.org](http://www.stophs2.org) and [www.stoneleighvillage.org.uk](http://www.stoneleighvillage.org.uk) include a huge amount of additional background information.

# From the Vicarage

*And so the focus switches* to the coming of the world to enjoy the spectacle which will be London 2012 – Olympics and Paralympics. I will be spending my summer holidays as a “Games Maker” (volunteer), with my main role apparently being helping media people on and off buses in the Olympic Park at Stratford (London rather than ‘upon Avon’!) I have done most of the training (the last bit will be between my writing this and you reading it), I have the uniform, I know my shifts and I’m raring to go.

I’ve always been a sports fan, with the Olympics having captured my imagination from a very young age. My earliest memory is the excitement of British swimmer Anita Lonsbrough winning a gold medal at the Rome Olympics in 1960. I would only have been 3½! I often wondered why I remembered only her, but having had a look at our ‘medal winners’ in Rome, I discover that our only other gold was won in the 50km Walk, which has never been the most exciting spectator event!

As the years progressed, my being glued to the TV for both Summer and Winter Olympics became the norm. 1964 introduced me to the astonishing sight of Bobsleigh as Nash and Dixon won gold at Innsbruck, while the Tokyo summer event introduced me to early morning TV and the frustration of having to go to school when there was something far more interesting to do. The courage and determination of these athletes really caught the imagination. Sadly, my ability at sport never matched my passion for it, so my ‘Olympic dream’ never got further than the pillow – until now. The irony, of course, is that I will be so involved with the mundane job that I

have been allocated to that I will not get to see so much of the action on TV; but to be involved – to be part of it, albeit a very tiny cog in a huge machine – is special.

Of course, the torch relay will be passing our way on Sunday 1<sup>st</sup> July, and one of the runners, Melanie Barratt (née Easter), a Paralympic gold medallist and mother of a child at Leek Wootton School, will hopefully arrive with her torch at the ‘opening ceremony’ of our “On Your Marks” Holiday Club. The club, for primary-school-aged children, will be at All Saints’ School from Tuesday 14<sup>th</sup> to Thursday 16<sup>th</sup> August, with the opening and closing ceremonies being our 9.30am services at Leek Wootton on Sundays 12<sup>th</sup> and 19<sup>th</sup> August. If local children are interested in taking part, you can find details on the new-look website - [www.a-lw-s.org.uk](http://www.a-lw-s.org.uk).

If you really don’t like sport, it’s going to be a long summer. Good luck ☺

# Stoneleigh Village Club

*The AGM was reconvened* on 10<sup>th</sup> June and we are happy to report that a committee was formed, officers were elected, and the general view (and hope) was that the Club is now in a position to move forward. The new chairman (Robin Bussell) stated that “...changes are inevitable. The Club must broaden its activity base; it must be more inclusive and inviting to more people in the village.” Already, Martin and Kim Smith, who have accepted the challenge of organising the social programme (with help from a strong supporting team), have announced a number of new and innovative events.

It is now up to village residents to demonstrate their desire to keep the Club by supporting these events and, of course, by becoming members of the Club. The subscription for a single adult is only £1 per month, and the committee hopes that at least 80% of the adults in the village will become members. Sadly, at present it is nothing like that number. Therefore, without delay, please complete the form in this magazine and send your subscription to Stoneleigh Village Club, Vicarage Road, Stoneleigh CV8 3DH or deliver it to the Club Steward. And now make a note in your diary of the dates on page 18 and do your very best to come along to the Club, meet old friends (and perhaps make some new ones) and enjoy the social activities.

The new committee really hopes that you will support the efforts that are being made to ensure that your Village Club will continue to be a social centre for the village where everyone might find friendship and a wide range of social activities in pleasant surroundings.

If you are not already doing so, please give it a try.

# Stoneleigh History Society

The May meeting witnessed two very interesting presentations, one by Pete James on tracing his Stareton ancestry back to the mid-16th century, and the other by Philip Gill on his researches into the residents of the almshouses in the 1850s. Just a few days later, we mounted our 10-day exhibition in the Leigh Chapel, and were pleased to meet and talk to the many visitors who came along. I would like to say a particular “thank you” to all those members of the society who helped in any way with the display, and also to everyone who gave us helpful information – and even photographs – on Jubilee day. We are very grateful to the church for allowing us to mount such a large exhibition for so many days; through sales of our little history booklets, we are pleased to have been able to make a modest contribution to the roof appeal.

Our June meeting is a “Humphry Repton Tour” at the Abbey on 26<sup>th</sup> June. If this magazine reaches you in time and you would like to join us, please contact me. Our July meeting, on the 31<sup>st</sup> at the Village Hall, will again consist of members’ presentations. All are very welcome. We do not meet in August.

# Stoneleigh & Ashow Churches

*Our services at Stoneleigh and Ashow followed the usual pattern in June, but during the holiday period this will be slightly different as there will be no Thursday communion at Stoneleigh from 26<sup>th</sup> July to the end of August.*

Stoneleigh had a very busy social calendar in May and June, starting with the concert by Stoneleigh Male Voice Choir on Saturday 26<sup>th</sup> May. This was an excellent evening and very much enjoyed by the large audience. The church wardens and PCC would like to thank SMVC for supporting the church by performing this concert in aid of the roof appeal - over £1400 was raised. The weather was perfect that evening – unusually, so far this summer – which meant that it was possible to serve drinks and canapés in the churchyard during the interval. Very many thanks to all members of the congregation who produced such beautiful eats.

The church flower arrangers pulled out all the stops and used their skills to decorate the church on a Jubilee theme for the weekend of 3<sup>rd</sup>/4<sup>th</sup> June. The displays were absolutely stunning and proved to be a real attraction, enticing people into the church for tea and cakes. A huge thanks to Mandy and her team of flower arrangers; their skill, talent and originality never ceases to amaze us. Thanks also again to the church bakers and caterers for their wonderful selection and supply of cakes. We were overwhelmed by the numbers who came to partake of our goodies, see the flowers and view the Stoneleigh History Society exhibition in the Leigh Chapel. Over £400 was raised towards the roof appeal.

The Jubilee weekend culminated in a ‘Songs of Praise’ service, with hymns chosen by those who lived in the village at the time of the Coronation. This was a very nostalgic event with introductions by Shirley Ball, who had made all the personal contacts, and the churchwardens. A big thank you to all who made the weekend such a success.

## Leek Wootton link-up

Apologies to anyone who tried to find the Teddy Bear parachuting photos on the website at the start of last month, but the site has now been recreated and you can find them on the Leek Wootton Social News page.

In common with most of the country, our Jubilee celebrations were dampened but not destroyed – and the Leek Wootton “Boat Pageant” took place on the recreation ground with some wonderful home-made craft manned by crews of varying ages and sizes (physical and numerical) who paraded, then raced, along the course – only one ‘capsizing’ on the slippery ground!

Our big event over the summer is the children’s Holiday Club at All Saints’ School from 14<sup>th</sup> to 16<sup>th</sup> August (three mornings) for primary-school-aged children. Contact the Vicarage for more details.

## Stoneleigh Handbell Ringers

Stoneleigh Handbell Ringers are looking for more people to join the Junior Section, so if you are eight years or older, why not give us a try? Just ask your parent or guardian if it's OK to come along. # Stoneleigh Jubilee Celebrations

## *Ashow Diamond Jubilee Celebrations, 3rd June 2012*

*Ashow established a special committee* to organise the village's Jubilee celebrations - superbly led by Diana Holt. The Club and grounds were tidied and spruced up, the garden bedecked with bunting and a bespoke bandstand created. In response to the threatening weather forecasts, a team of workers created a sizeable club 'annex' comprising many marquees and gazebos with DIY guttering solutions aplenty. So, the stage was set for our celebrations while many more hours' work went on behind the scenes to cater for and entertain over 120 guests.

Sunday lunchtime approached and, with champagne flowing, the gloomy day proved no match for Ashow's spirit shining through. Villagers, family, friends and neighbours met and chatted as music played in the background. Each table on the carefully prepared seating plan carried a name with a royal connection and, as we took our seats, we were able to peruse the menu and programme of events. An exquisite selection of food was washed down with lovely wines and followed by desserts, cheese and coffee. There followed the first of many toasts and the start of Bo Jangles' entertainment and our very special guest singer, Jinty Cotton. Dancing, singing and flag-waving broke out in patriotic waves as the music and toasts continued to entertain young and old alike (as the photographs show).

As Bo Jangles' marathon set finished, our evening entertainment arrived and people started to retreat to the dry warmth of the club, with the rain showing no sign of abating. The festivities continued as many hands made light work of the clean-up outside and plans for the Ashow fly-past and evening BBQ were moved to Monday to take advantage of the long weekend and the promise of some drier weather to come.

In all, a tremendous success enjoyed by all. Special thanks to the efforts of many, including the Committee (Carmel Cleary,

Jinty Cotton, David Franklin, Pat Harvey, David Holt, Lucy Morris, Jean Shrimpton and, in the chair, Diana Holt); the Club and the many who helped prepare the room and garden; Barbara and Mike Corns for their St John Ambulance presence and for running games and activities for children; the many photographers who captured the celebrations, in particular Alex Horgan; and to everyone else who helped make it a day to remember.

## *Ashow's Coronation Chicken*

*Among the delicious food served at the Ashow Jubilee celebrations was Coronation Chicken. Many guests asked for the recipe, so here it is...*

12 chicken joints	1 medium onion, sliced
Some grapes, sliced	1 bay leaf
Some unsalted cashew nuts	Dry white wine
1 pint mayonnaise	Salt & pepper
¼ pint sour cream	Watercress for decoration
2 tbsp curry powder	

Remove the skin from the chicken joints and place in a shallow casserole. Cover with dry white wine, a bay leaf and the sliced onion. Cook in a medium oven for 20 to 30 minutes. Leave overnight to cool in the liquid. Remove the meat from the joints. Mix together the mayonnaise, sour cream, curry powder, salt and pepper. Add the chicken stock, a few cashew nuts and a few sliced grapes. Arrange in a dish and decorate with further nuts, grapes and watercress. Serves 6.

# *Diana's Diamond Ditty*

*Ashaw had a party for the Diamond Jubilee!*

Well, no expense was spared that day  
With bubbly, lunch and then a tea!  
The weather was a pity  
'Cos it drizzled all the day,  
But boy, we had a good time  
In the usual Ashow way!  
The venue was the Village Club.  
Tents kept us from the rain.  
We started with the Champers  
So no-one could complain!  
There was smoked salmon, beef and ham  
(Delivered by the butcher's van),  
Salads and potatoes HOT,  
Meringues and berries, cream, THE LOT!  
Cheeses, coffee, even dates.  
No wonder we all put on weight!  
Bo Jangles played throughout the day,  
Jinty sang in her special way!  
There were games for children and a clown.  
Oh boy, did Ashow go to town.  
We had a sing-song patriotic  
And the dancing got chaotic!  
We waved our flags to "Hope and Glory";  
Throughout the realm a similar story.  
We drank to our Queen's long, long reign  
And then we did it all again!  
You could be sure, come rain or shine,  
Ashow would always find the time  
To celebrate in its very own way  
Such a very special day!  
GOD SAVE THE QUEEN!

*Diana Holt*

*Beyond the pomp and ceremony of the better-known works, there is a more tender and reflective side to British choral music. Hymnos, under the direction of James Barnard, explore this with their programme *Best of British Choral Music*, contrasting both sacred and secular choral music of the Renaissance with works from the Romantic period and the 20<sup>th</sup> century. The programme includes music by Thomas Tallis, Thomas Morley, Edward Elgar, Herbert Howells and Benjamin Britten.*

# Stoneleigh Cricket Club

*For those who have been hoping* for reports from SCC in the last two editions, there is only one word – WET. Due to the bad weather, this has been the most awful start to the season that anyone can remember. At the time of writing, a total of 10 out of 18 matches have been cancelled plus the six-a-side competition and, of those that have been played, many have been on soggy, slow pitches in murky conditions. Credit must go to groundsman, Joe Ball, for heroic efforts to get pitches prepared, often to see rain still intervene at the eleventh hour.

## *South Northants League Division 1*

Only four of the scheduled eight matches have been played, with one win and three defeats. Most of the teams have had a similar number cancelled, but pity poor Willoughby and Preston Capes, both of whom have played only two matches in the league.

The one win was a good effort against Afro Caribbean from Milton Keynes, when Dave Beale's 72 and KP Bains' 68 helped us amass 237. Phil Chapman was the pick of the bowlers, with 4-36 as the visitors were bowled out for 143. An entertaining game against Radway saw us fall a few short when chasing 207 to win, with Dave Beale again prominent with 91.

The league season is nearly at the halfway point, but the table is so far largely academic until more games have been played.

## *Friendlies*

Although the weather was not great, the match against BBC Midlands was notable for the appearance of former England Test bowler, Gladstone Small. He starred with the bat, making a combative 47 out of BBC's total of 174. We never seriously challenged their total, although Smudger will doubtless dine out for years on having hit Gladstone, bowling at a pace considerably less than in his pomp, for a couple of fours.

Other friendlies were notable for some personal bests. Andy Waite made 70 in the victory over Everdon. In the same match,

new recruit Udara Pieris made 50, while leg-spinner Venkat marked his debut with 6-34.

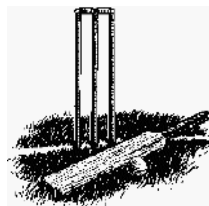

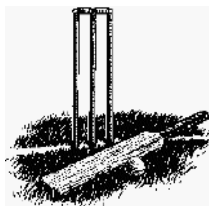

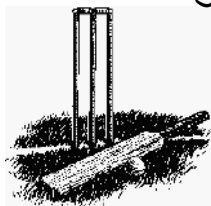

And finally, congratulations to Phil Chapman who made his maiden century for the Club in the match against Aston Unity. Well done Phil – let's hope it's the first of many.
