**SEPTEMBER 2012**

## **Stoneleigh Diamond Jubilee Celebrations - 2nd June 2012**

What started as a simple idea soon took over many peoples' lives. Several months ago, planning began for Stoneleigh's Jubilee Extravaganza; an occasion we will never forget ...

Lots of people helped to make it come alive from making bunting to making cakes. Even children helped to make the occasion special by entering the Art Competition and spending time and care to create beautiful drawings. When the day finally arrived the village was buzzing with excitement. By 2pm the church bells were ringing and everything was in place for a fun-filled day. The Jazz band kicked off the day with some snazzy tunes and we were all in the mood for some fun!

The children all really enjoyed the activities set out across the field. The Circus Skills were very popular for all ages and the golf was a real hit. The girls loved the arts and crafts and some boys seemed to be attached to Score a Goal! The Tug of War towards the evening was my personal favourite and watching the men pulling so hard that they were purple in the face afterwards, made us all laugh. The races also created a big crowd and lots of noise too. These are just a few examples of the activities on the day.

Another fantastic part of the celebrations for me was the falconry show, even though I nearly lost my head when the falcon flew past! I was picked, along with others, to actually hold a barn owl. It was a once in a lifetime chance and my face lit up when it was flying towards me. It was so beautiful and I will never forget it.

One of my friends, Anya Payne, said "It was a really happy day and I'm hoping we can use other special dates to meet up again as a village!" I definitely agree with Anya because the community came together to make the Jubilee something that will stand out from all other parties.

Some people went to look at the amazing history display in the church, whilst having tea and yummy cakes! I loved the children's tea party; especially Domino's Pizza and *more* mouth-watering cakes. I heard the Hog Roast was delicious too, though I was too full to try it myself!

After tea came the prizes - one of my favourite bits! Anya had won the Art Competition, which was no surprise as she is outstanding at drawing, and was able to collect her prize from none other than the Mayor and Mayoress of Coventry. I came joint second and also had the privilege of meeting the Mayor. Later came the raffle which had stupendous prizes. Unfortunately I didn't win anything but well done to those lucky winners! Then all the

village children were presented with beautifully engraved Jubilee mugs. I will cherish mine forever as a little piece of the day. The biscuit tins given to all those who have lived in the Village for 60 years looked like they had lovely biscuits in them; I wish I'd been living here for that long! Nora and Will Blagburn were presented with a rose tree to thank them for their immense efforts in organising the day.

One of the highlights has to be the evening sing-along. I must admit I was pretty exhausted from the excitement by this time, but the rousing sound of the Stoneleigh Male Voice Choir gave me another burst of energy. Soon everyone was belting out The White Cliffs of Dover and waving their British flags for all to see! It was rounded off by The National Anthem and a toast to the Queen.

After that we were left to chat and mingle for a while. Me and a couple of my friends made a pretend house out of the hay bales that were kindly donated by Stoneleigh Park and that kept us entertained for some time. When we came back to the Club the slideshow that Will Blagburn put together was showing and people were laughing at old pictures of themselves and others. It truly was a memorable day and I'd like to thank every single person that helped to make it the amazingly brilliant day that it was!

I can't believe we get to relive the magic all over again in September when we all meet to watch the video that was cleverly put together by Will. I can't wait to see everything again, especially the fancy dress parade!

## **MIRACLE IN STONELEIGH 2012 - SUMMER SERENADE**

After days of rain and worry, at 12.30 on 8 July the sun appeared and then shone over Wentworth House for much of the afternoon. Many people wished they'd worn summer clothes instead of waterproofs! As in previous years, we were entertained by the Stoneleigh Male Voice Choir with their Musical Director, Alan Biddle, and Conductor, Judy Hadfield, and with guest quartet 'Espressivo'. The audience enjoyed a mixture of popular and classical songs and there was plenty of scope for audience participation. The fizz flowed (thanks to Keith and Harry Walker and helpers) accompanied by M&S sandwiches.

A cheque for £2000 was presented to Kirsty Nicholls from Zoe's Place Trust (a Coventry-based child cancer hospice and respite centre and which was the suggestion for this year's charity by Jim Harris, the Choir's late chairman). This makes a grand total of £3,900 donated by the Choir to worthy causes this year (£1000 towards the Village Hall sports facility, £500 to Macmillan Cancer Support and £400 for children's Jubilee mugs); this is a truly impressive total. Thanks to those who so generously supported the raffle and to those who kindly provided raffle prizes – Kendall's Delicatessen, Bablake Wines, David Gibson, Mike Murray, Hazel Wozencroft and SMVC.

An event such as this can't take place without a tremendous amount of work behind the scenes. This year special thanks go to Galleon Supplies for their van and to all those who valiantly collected garden furniture and erected gazebos and built a stage setting in bucketing rain during the two days beforehand.

Thank you to Jean and David Vaughan and Judy and Chris Hadfield for the use of their gardens.

Once again - Well done and thank you Stoneleigh Male Voice Choir, for another wonderful afternoon's entertainment.

# *Stoneleigh Duck Race and Village Fair*

*On 11th August Stoneleigh went duck mad!*

The prize winners  
were.....

1st place Julie Stallard

2nd place John Churchley

3rd place Maggit

Well done to you all!

The ducks are now resting up until their services are required again next year.

The village fair was busy with plenty of different stalls, activities, exhibitions, a dog show and

a tug of war.

Liz Wrist, the Church and the Club all provided refreshments. The weather was beautiful too!

Funds were raised for the Club and other worthy causes so thank you to everyone who worked so hard, both before and on the day, to make the occasion a success. Thank you also to the many people who came to enjoy the day with us.

Kim and Martin Smith

With thanks to Will Blagburn for the photos

## **STONELEIGH LEISURE FACILITIES**

A major problem in our village is insufficient facilities available for the YOUNG people to find or to use; this has led to anti-social behaviour.

Towards the Autumn of last year Tony Samouelle(our chairman) and I were close to the tennis courts when we noticed two boys (of no more than 10/11) playing football inside the the supposedly 'locked' area – we asked 'Why they were they there?' They replied that as one of the courts was never used – so why shouldn't they use it? This started a train of thoughts that prompted us to take a petition around the vast majority of the houses in the village, asking people whether they would be in favour of a plan to establish a play area alongside the village hall. The result was a resounding approval, without a single objection.

The outcome has been to change the tennis court area into two by erecting a strong 10ft high welded wire mesh fence between the existing courts and around the perimeter of the area. T he northerly court will become a 5-a-side football pitch with goals and subsequently an area for general play. This area is fully enclosed with its own gate and will be opened each morning and locked at night.

The other half, on the south side next to the car park, has a repaired and expertly resurfaced tennis court that will be locked and used only by the playing membership of the tennis club. A pathway has been provided alongside the court from the car park for the use of wheelchair users and others.

The total cost of this work of is just over £61,000. It has been my task to ask, cajole and plead for help from the many charities that I have contacted. The major contribution has been from Warwick District Council who approved 50% of the total. Some other charities/foundations include £10,000 from an International charity; £6,500 from the Leigh Educational Foundation; £1,000 from the Stoneleigh Joint Charities and £1000 from the Stoneleigh Male Voice Choir. The total cost of the project is mainly available – BUT we are short of about £6,000.

**PLEA – ARE THERE ANY OF OUR READERS/FRIENDS WHO  
COULD HELP REDUCE THIS SHORTFALL?**

At some time in September, post Olympics, Dave Moorcroft has kindly agreed to officially open the facility. You will all be invited to be there – date and time to be announced.

**In the wonderful spirit of the Olympics, this facility is open to all**

## **DIAMOND WEDDING CELEBRATION**

Congratulations to Betty and Ted Hind who celebrated their Diamond Wedding Anniversary ( 60 years) in August. They came to live in StoneleighClose in 1966 with their young daughter Susan.  
We send congratulations and good wishes.

## PARISH COUNCIL NOTES

### *Meetings*

The September Ordinary Council Meeting will be held at Stoneleigh Village Hall on Thursday 13<sup>th</sup> September at 7.30 p.m.

### *Parish Councillor Vacancy – Stoneleigh Ward*

The Parish Council wishes to advise you that following the resignation of Alex Agranovsky, a vacancy has arisen in Stoneleigh Ward. Now is the opportunity to put yourself forward to represent your village. Anyone interested please contact either one of the existing Stoneleigh Councillors or myself. I can be contacted on 01926 491482 or email: [maddisonsgandpa@fsmail.net](mailto:maddisonsgandpa@fsmail.net). The Stoneleigh Councillors are Lynne Fletcher, Gordon Gatward and Richard Hancox. Please give this some serious thought.

The Parish Council would like to express their thanks to Alex for his dedication and hard work whilst being a Parish Councillor. He made a real difference and was prepared to give of his time and talent. You will be greatly missed.

### *Baginton Village Facilities for Stoneleigh Residents*

Baginton have several facilities for toddlers and young people that they wish to offer to people living in Stoneleigh. I have been contacted by Victoria Newman who wishes me to pass on the details to you.

A toddler group is run on Tuesday mornings (term time only) from 10.00 a.m. to 11.30 a.m. at the Village Hall in Frances Road. At present they have a waiting list for people who wish to join but they keep some spaces available for Baginton residents and they have decided to extend these non-waiting list places to the residents of Stoneleigh

They have also just started a new Children's Health Visitor Clinic which will run once a month during the Tuesday toddler group. Veena the health visitor will be available to weigh the children, offer nutritional and development advice or answer any health related questions about the children. A trial session was run on the 17<sup>th</sup> July and the regular clinic begins in the new school year in September.

They also work with the support of the Kenilworth Children's Centre, of which residents of Stoneleigh are also in the catchment area. Every fortnight a member of their team joins us at the Village Hall to offer information and support to the parents and carers. They provide details of events, classes and clubs that run out of their Kenilworth site and residents of Baginton and Stoneleigh can take advantage of this.

Anyone interested should contact Victoria Newman directly on her email:

### **STONELEIGH HISTORY SOCIETY**

At its latest meeting on 31 July the Society was fortunate to have two presentations from members. Sheila Woolf explained the background to the logbooks of Stoneleigh School (recently transcribed by local genealogist, Joyce Taylor), and read extracts which illustrated the lives of successive headmasters and their pupils in the nineteenth century. Lisa Reay gave an illustrated talk about the background of some of the houses in Birmingham Road, research on which is ongoing and is of great interest to those whose families have lived in the village for centuries as well as to more recent inhabitants.

The next meeting will be held in the Village Hall on 25th September

### **Leek Wootton Link-up:**

A very successful "On Your Marks" holiday club took place in August with around 30 children and many adult and young helpers having a very enjoyable three days together at the School. We learnt about being part of "Team JC" responding to the call of Jesus to follow him, to understand who he is and to have fruitful lives.

The final 'Summer Tea' for this year takes place on Sunday September 9<sup>th</sup> from 3pm – 5pm at All Saints Church and will be followed by a "Songs of Praise". All are welcome. We hope you can join us

## **HIGH SPEED RAIL LATEST**

The summer has been extremely busy as far as the HS2 project is concerned and there has been increasing media coverage as more people beyond the current first stage of the route realise the immense cost and other implications, and the flaws in the existing proposal.

There have been strategy meetings between the Warwickshire County Council and the action groups, a meeting on 15 July between Jeremy Wright M.P. and representatives of action groups within his constituency, and an informal local briefing of HS2 Ltd staff by representatives of Stoneleigh, Stareton and Stoneleigh Park.

An HS2 Ltd Community Forum meeting was held on 26 June and another one is scheduled for 5 September. These are rather cumbersome meetings at which it is difficult to get detailed points across as so many interested parties are involved. In an attempt to deal with this problem, a series of local meetings were set up at which different mitigation proposals could be discussed in detail with HS2 Ltd staff.

The further meetings to discuss the two local proposals (one covering the area across Stoneleigh Park, the other from Gate 3 to the A46) were held on 15 August. Should these proposals be accepted the impact of the railway on this area will be considerably (but regrettably not entirely) reduced. The meetings were relatively open and frank but HS2 engineers stated that they have not yet done enough detailed design work to comment or offer solutions to the issues raised. It is hoped that discussions will continue in the coming months.

It has been announced recently that there are sufficient grounds for Judicial Reviews (supported by the '51M' group of councils along the route) in which the various flaws in the proposals can be considered. Of particular concern has been the discovery that over 400 detailed replies to the consultation in 2011 were somehow 'lost'. Thus, the response from our M.P, Jeremy Wright, the Action HS2 Alliance and many other individuals and organisations (mainly those against the project as currently envisaged) were not included in the consultants' report. It is expected that the Judicial Reviews will be held in

December. An announcement about the form in which consultation on compensation will take place is expected at roughly the same time.

As we go to press, the Department for Transport has announced that from 2013 FirstGroup will operate the West Coast Main Line in place of Virgin and that increased capacity is expected. Given that increased capacity is the main justification given for HS2, even further doubts have been raised about the validity of the proposals. Again - watch this space!

*Margaret Wallis (on behalf of Stoneleigh Action Group)*

## **Stoneleigh WI**

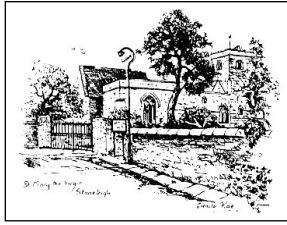

The Warwickshire Federation of WIs has organised its' own Olympics this year. The County WIs were divided into groups and each group invited to take part in various activities that were organised. These included such diverse activities as table tennis, croquet, a treasure hunt in Warwick, a quiz, knitting, Rummicub, a beetle drive and Scrabble. The group that we were in, Upton, were the winners and some of our members were placed well.

The September meeting is on Monday 3rd when the speaker will be David Howe and his talk is entitled 'Partners of Prime Ministers'.

The lunch club is on Tuesday September 4th and we will be serving roast pork and rhubarb crumble. As usual please get in touch if you wish to come or are unable to come having expressed your intention to attend. My number is 02476 418301.

The coffee morning will be on September 18th at the club - all are welcome.

## **Stoneleigh Cricket Club**

The depressing weather has continued to disrupt the fixture list with half of the scheduled matches cancelled or abandoned.

### **South Northants League Div1**

Of the 16 weekends so far, Stoneleigh have only managed to play 11 matches with several of those affected by rain. By and large, bowlers have been on top and with so many of the batsmen out of form, we have failed to convert some promising positions into wins. Since the previous report there has only been one more win when we scrambled home on a faster run-rate against Grange Park in a weather interrupted game. We also gave a good account of ourselves against Afro Caribbean at Milton Keynes. Chasing their big total of 249, we finished on 197-6 with Lee Moreton making an excellent 95.

Stoneleigh are currently last but one in the table with only Grange Park below us but the points allocation for cancelled games has led to the anomalous situation where Willoughby are above us having only won one of just seven matches played. So many games have been affected by the weather that there has not really been a meaningful competition this year and the league committee may have to reconsider normal promotion and relegation rules.

\*\*\*

### **Friendlies**

More rain, more cancellations and little joy for the batsmen when we did play. The only game worth mentioning was against Griff & Cotton's Sunday XI which finished in a tie. Good runs from Paul Lazenby and Phil Chapman got us to a reasonable total of 168. The opposition had an experienced first team batsmen who made a century while younger lads batted around him to set up an exciting final over and the scores finished level.

\*\*\*

On a positive note, a new practice net has been acquired. Not much time left in the season now to try it out but a small band of keen players have been trying it out on Tuesday evenings.

We were sad to hear of the death of Bill Tebby aged 84. Bill played frequently for Stoneleigh between 1977 and 1983 and will be remembered for his fitness and enthusiasm.

Finally, best wishes to Vicky Healey who is recovering from serious illness. Hope to see you soon back at SCC Vicky.

### ***from the Vicarage:***

WOW! What an astonishing couple of weeks the Olympics turned out to be – far exceeding just about everyone’s expectations in all the good ways. Even die-hard anti-sport people have commented to me how much they have been caught up in it all and actually enjoyed watching events. By the time you are reading this, I’ll be back for the Paralympics – which look set to be the most successful of all time with regard to attendances.

What I really hope will inspire the lasting legacy of these Olympics is that people have discovered how to be nice to each other and the press have discovered that good news can still sell newspapers and attract audiences. The atmosphere in the Olympic Park – even in the depths of the media centre where the public were not admitted – was fantastic. The friendliness of people on the trains, even at 5.30am, was amazing. Even after two paragraphs, I’m running out of superlatives!!!!

I hope that something of this great outpouring of joy can be truly long-lasting and that our villages can know for themselves something of this legacy. One exciting opportunity is of course the re-development of the tennis courts at the Stoneleigh Village Hall to provide better quality and flexibility of facilities so that all ages can benefit and hopefully coexist with ever- growing appreciation of and respect for one another. I hope that the young people of Stoneleigh will recognise the immense efforts which others have made on their behalf and show their thanks by caring for the new facilities and using them wisely – encouraging one another to be a positive influence in the village and finding ways of serving the older residents. A big thank you from me to those who have been at the forefront of this project.

Jesus said to his disciples, as he sent them out to serve others, “Freely you have received, freely give”. This has been the response of the “Games Makers” – the volunteers who, having been given the opportunity to be an active part of ‘London 2012’, have given so much time, energy and enthusiasm over recent weeks. May all of us, whatever our faith, age, physical or mental ability, be caught up in that joy of being generous givers – not just time or money but in giving a greeting, a smile, a helping hand, a comforting arm, an encouraging word; so that our homes, our communities, our villages and towns, our nation and world, can enjoy the lasting legacy of this very special Jubilee/Olympic year.

## Report from Stoneleigh and Ashow Churches

Holidays have been the main event at Stoneleigh and Ashow churches during July and August.

Jim used his holiday to be a 'Games Maker' (Volunteer) at the Olympics so was away for two weeks at the end of July and beginning of August. Our services were taken by visiting priests and 'held together' by members of the congregations. We are very grateful to all of those who step into shoes when needed!

Tea and cakes were served in Stoneleigh church on Saturday 11<sup>th</sup> August on the day of the duck race and a fantastic sum of over £400.00 was raised towards the nave roof appeal. Many thanks to all who baked, served and bought, everyone was most generous with their time and money.
