

STONELEIGH & ASHOW *News*

JULY / AUGUST 2013

From the Vicarage

And so we come to my last 'From the Vicarage'.

My final Sunday services at Ashow and Stoneleigh will be on 21st July and I will then release half my stipend to be available to fund a new minister to come and give focussed (though part-time) spiritual leadership and pastoral care to the two parishes. I will try to do the same in Leek Wootton, where I will continue as part-time Priest-in-Charge. I will, of course, keep a prayerful interest in all that goes on here and hope that the friendships built up over these past five years will continue.

In the end, things moved extremely quickly on this and it became clear that I would have to step down from my role in the villages before the vacancy could be advertised. The advert for the post of Priest-in-Charge for Stoneleigh and Ashow has now been sent around the Diocese and can be seen on the diocesan website **www.coventry.anglican.org/home/vacancies** and I hope that some good candidates come forward for interview who can see the great opportunities for serving these parishes and helping the churches to flourish and grow in their worship of our loving God – Father, Son and Holy Spirit - in their making of new disciples of Jesus, and in their work of transforming communities with the incarnate presence of the Spirit of God.

During the period of vacancy (*interregnum*), please contact the Parish Administrator (Sue Wareham) and the Churchwardens (Ian Smith, Sarah Ballinger, Stephen Harvey and Kate Jones), who will do all they can to help you. By the end of August,

there will be a slight change made on the Parish website – the front page **www.a-lw-s.org.uk** will offer you a link to one of three parish home pages. Direct links to the individual parishes can be made using the addresses **www.stoneleighchurch.co.uk**, **www.ashowchurch.co.uk** or **www.leekwoottonchurch.co.uk**, and the Stoneleigh and Ashow sites will still link to each other and include a united calendar page. E-mails sent to @a-lw-s.org.uk addresses will get an automatic response pointing people to alternative contacts.

Thank you for all the kindness and encouragement I have received during my time with you, and for the privilege of sharing with many of you the joys and sorrows of life. A heartfelt apology to anyone whom I have hurt or disappointed in any way, and my prayers and very best wishes for the future.

May the peace of the Lord be with you.

*Frustration is growing about how this area will be affected during the construction of HS2, let alone afterwards. During the recent HS2 Ltd Roadshow, on their draft environmental statement it was revealed that construction will take place over five years, during which time the local road network will be seriously disrupted and there will be considerable additional traffic (lorries and heavy machinery as well as workers). The location of a site for machinery and accommodation between the B4115 and the A46 is a cause for huge concern because *every* resident will be inconvenienced. The combination of noise, dust and congestion is hard to comprehend.*

Readers are requested to respond to the draft environmental statement, making their concerns known in the strongest possible terms. Faced with several years when, according to HS2 Ltd, over 500 vehicles a day will access the compound, how will YOU get your children to school, get to work, visits friends and families, meet medical appointments etc? What if there is an emergency? How do you feel about years of dust, noise and general disruption? Silence will be interpreted as agreement with proposals. The deadline for submissions is 11th July.

Online responses can be sent via **<http://hs2draftes.dialoguesbydesign.net>**. You do not have to complete the questionnaire. If you want to write about one or two aspects of the proposals, you can send your comments

to **HS2DraftES@dialoguebydesign.com**. Full documentation can be seen at **www.hs2.org.uk/draft-environmental-statement**. (Section 18 covers Stoneleigh-Kenilworth-Burton Green.) Tel: 0300 123 1102 (Mon-Fri working hours) for hard copies.

StAG plans to prepare a response, but individual responses are also important. Those on our email list will receive some background information shortly. If you are not on this list, please contact **stagagainsth2@live.co.uk**. If you don't have access to the internet, contact Martin Smith after 1st July on 024 7669 0906.

Meanwhile, StAG continues to record our concerns in all possible areas (HS2 engineers, our MP Jeremy Wright - **jeremy.wright.mp@parliament.co.uk** - County / District / Parish Councils etc), but as yet - very regrettably - there are no signs that these are being addressed by HS2 Ltd. All other groups along the HS2 route are similarly frustrated - and angry. However, the arguments against HS2 are being aired increasingly throughout the media, including specialist journals, so we cling to the hope that the Government, and those who continue to support the idea of this project, will see sense before it is too late. On 26th June, the 'Paving Bill' will be introduced in the House of Commons and, if passed, this will enable work to continue on the project until its final authorisation through a Hybrid Bill next year. Therefore, there is a relatively short time remaining in which to make views known.

Ashow News

Tuesday 18th June saw the funeral of Edna Morgan (Pat Harvey and Kate Jones' mother) at Ashow Church, and we would like to thank everyone who has written, attended the service or donated to Cancer Research UK in Edna's memory. She had a major ground-breaking operation for cancer treatment in the 1980s which gave her another 30 years of life well lived.

The Evening of Entertainment with a fish and chip supper and the Stoneleigh Male Voice Choir was very successful in raising money for restoration work at Ashow Church; tickets sold out some weeks prior to the event, with a waiting list! Could we remind people that if they wish to book for the Con Voce Choir Concert in church, performed by the popular choir from the South Wales valleys, on Saturday 5th October, they should put it in their diaries and apply for tickets as soon as they are advertised to avoid disappointment?

We would like to thank everyone who helped with the annual church and churchyard working party in May, followed by an enjoyable picnic lunch organised by Pat Harvey.

As you will already have read, our vicar Jim is leaving, and his last service will be at Stoneleigh on Sunday 21st July, followed by refreshments in the church. We hope and pray that it will not be too long before a new vicar is appointed.

Two weddings, a church fete, a 'Songs of Praise' and a village echoing to the sound of thousands of runners passing through on the Two Castles Run. June has certainly had its special moments.

The Vicarage and its garden have seen quite a lot of activity too, with a social evening for the members of the three PCCs and their spouses, plus various groups of Rainbows, Brownies and Guides coming for pond dipping and camping skills activities – not to mention a new washing machine which doesn't have the added function of washing the floor!

Still to come at the time of writing is the annual School v Village Cricket Match – the controversy of last year's final over still fresh in the memory of those involved (strange that it never made the national - or even the local - press)!

The fete raised around £3100, which was very encouraging and will be a great help to the church at what is a challenging time financially.

As we move into July and August, we will be having a Parade Service on 7th July celebrating the work of our Scouting and Guiding groups in the village, and including the dedication of the new Brownie flag.

The children and staff of All Saints' School will come to the church for their end-of-term assembly, where we will be presenting all the Year 6 children with bibles as they move on to various secondary schools – and will also be acknowledging the progress of those moving from 'Key Stage 1' to 'Key Stage 2' (*which translates into old English as Infants to Juniors! ☺*)

During the Summer holidays, for three mornings from Tuesday 20th to Thursday 22nd August, we will have our annual Holiday

Club at the school for children who will be at Primary School from September. This year, we will be on the theme of “The Storykeepers”, using stories of Christians in Rome in 64AD – the time of Emperor Nero and the Great Fire. Don’t worry though – none of the children will get thrown to the lions. If any children from Stoneleigh and Ashow parishes want to join in, please contact Katie Hodgson for details - **katie@iconic-investments.co.uk**.

Our Summer Teas continue on the first Sunday afternoon of each month (through to September) from 3pm to 5pm. Do come and join us for some cake and a cuppa.

Could you care for a dog or cat?

The Animal Rescue and Rehabilitation Society (TARRS)

is looking for foster carers.

Our aim is to rescue and rehabilitate animals
in the Warwickshire area -

strays, animals with behaviour problems, and those that can
no longer be looked after by their owners -
and we require foster carers to look after these animals.

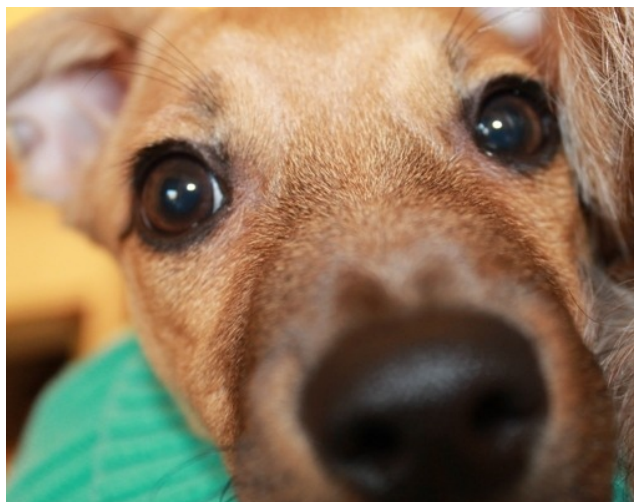

We'd love to hear from you if:

- You could commit to a minimum of six months' fostering;
- You'd be able to not leave the dog or cat alone for more than four hours;
- You have a secure garden and either own your own home or have permission from your landlord to have pets staying.

We are also looking for homes without any animals already in the home for our special cases.

We can be found at **www.TARRS.org.uk**, email us at **tarrs_volunteer1@hotmail.co.uk** or call 0773 4442785 for more information on this and other current roles. We always welcome donations too; without them we will not be able to continue rescuing dogs and cats.

Thank you for reading this.

Parish Council Notes

Meetings

The July Ordinary Council Meeting will be held at Ashow Village Club on Thursday 11th July 2013 at 7.30pm. The September Ordinary Council Meeting will be held at Stoneleigh Village Hall on Thursday 12th September 2013 at 7.30pm.

Stoneleigh Village Play Equipment

The grass surrounding the play equipment at the side of the Village Hall needs continual maintenance. It would be helpful if a team of volunteers would agree to go on a rota to keep this grass neatly cut. If there were enough volunteers, then the task would not be too onerous.

If you are willing to assist, please either let Richard Hancox know on 07766 804380 (**richard.hancox@amey.co.uk**) or myself on 01926 491482 (**maddisonsgandpa@fsmail.net**).

Stoneleigh Village Club Ltd

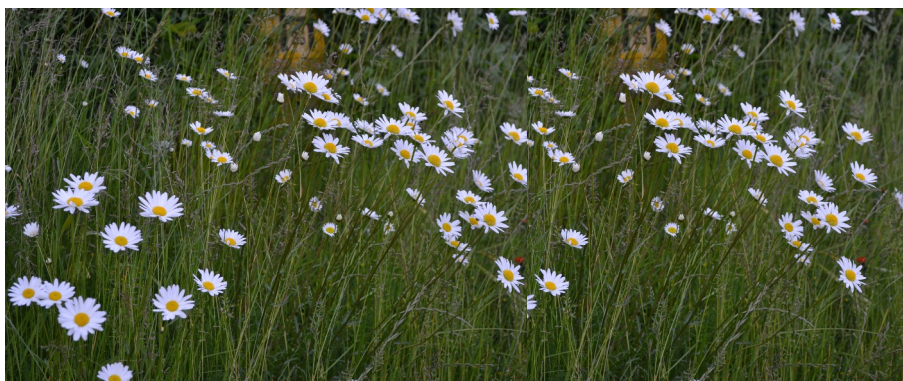

As part of the process to incorporate the Village Club as a company, and then to purchase the building, I am able to report that the Club has now been incorporated. To finalise the process, we need to hold an Extraordinary General Meeting for the members to “rubber stamp” this and to approve the new Articles of Association. **This EGM will be held in the Club on Friday 19th July 2013 at 7.30pm.**

The formal calling notice and details of the resolutions will be posted on the Club notice board and emailed to members shortly.

Solicitors are now working on the purchase of the building, and I am very pleased to report that we have now reached our fundraising target for the purchase price and just need a little more to cover legal expenses. Thank you to everyone who has contributed. We have achieved a fantastic result! I am hoping, at the EGM, to start the distribution to members of the formal documentation that will acknowledge donations and loans.

Stoneleigh Cricket Club

Despite some continuing indifferent weather, groundsman Joe has continued to work his magic and provide us with some decent pitches. Only one home match has been cancelled because of the weather, that being a midweek game.

Cotswold Hills League Division 6

With seven rounds of matches played at the time of writing, The Unicorns sit proudly at the top of Division 6, having won all seven matches.

The latest success came on 15th June with victory over Leamington IV, also unbeaten up to that point. On a sticky pitch, Leamington's batsmen were unable to accelerate against tight bowling and fielding, posting only 124 off their 45 overs. With overs lost to rain, Stoneleigh were chasing a revised target of 108 to win off 39 overs and, although the visitors' keen young attack pressed hard, James Chapman's 37 held the innings together as the total was reached.

James has a remarkable league batting average of 116 to date and he's been well supported by Lee Moreton, Paul Lazenby and Phil Chapman. With various unavailabilities amongst the bowlers, the seam attack has been shared around, Lee Moreton being the pick with 13 wickets. Other useful bowling contributions have come from Andy Waite, the Venkat brothers, Phil Chapman, Darren Young and evergreen Mark Edgington.

Friendlies

Recent results have included victory over a BBC Midlands XI who didn't field any former Test players this year! We had a comfortable win over a depleted Ilmington side, with first contributions of the season from Martin Webster and our very own star journalist, Brian Halford. The Twittersphere was

busy afterwards with comment on Brian's three wickets for one run.

Other friendlies against Everdon, Coventry Barbarians and Attenborough were all lost by very narrow margins. In the Attenborough match, where we were chasing 200, Andy Edgington blasted 60 and James Whittingham, having already hit one six in the final over, went for a repeat to win the game and was agonisingly caught just inside the boundary.

We're looking forward to an evening match against Goodwood, an Australian touring side on Thursday 4th July. Come and watch SCC beat some Aussies!

And on the subject of Aussies, ex-pat former player Martin Harban will be visiting soon from down under, while 'Captain' Phil Brown is also expected. It's rumoured that Dave Griffin could also be returning to the fold later this year.

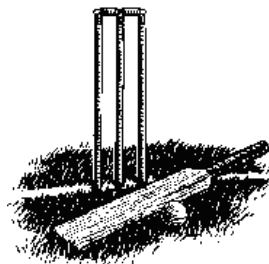

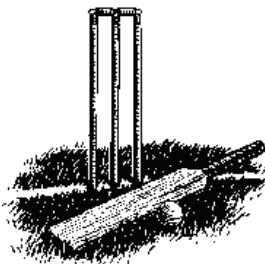

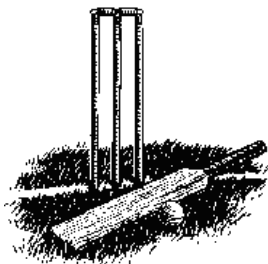

Finally, a reminder that nets are held at the Abbey, weather permitting, on Tuesday evenings – new players always welcome.

For more club details, contact Secretary, Phil Chapman, on 01926 774864.

Stoneleigh Handbell Ringers

Stoneleigh Handbell Ringers are looking for more people to join the Junior Section, so if you are eight years or older, why not give us a try? Just ask your parent or guardian if it's OK to come along.

Our regular practice nights will be starting again at 6.30pm on Monday 8th September at Stoneleigh Village Hall, culminating in playing carols at Christmas for local community groups. Please let Ann (01926 710136) know if you'd like to come along.

The June meeting took the form of a visit to Bagot's Castle at Baginton, where a tour was given by an archaeologist; we then visited the lovely church of St John the Baptist. There will be no meetings in July or August but, since our display in the Leigh Chapel of the church was so successful in May, we are repeating it for the Duck Race on the afternoon of Saturday 20th July and again on Saturday 14th September as part of Heritage Weekend. A smaller version of the display is now permanently *in situ* in the Leigh Chapel.

News from Stoneleigh & Ashow Churches

A lot has been happening in your churches in the last few months both in front of and behind the scenes!

In the middle of last year, Jim Perryman, our Priest-in-Charge, wrote to both PCCs advising them that the possibility was being explored with the Diocese of appointing a part-time priest for the two parishes of Ashow and Stoneleigh, which would leave him free to concentrate on his ministry at Leek Wootton. Our parishes had never been completely happy with the combining of the three parishes, despite Jim's efforts. Their doubts that it would not work geographically had been proven and neither the three parishes nor the benefice had been properly 'united'. Over the months, this proposal has been discussed at all PCC meetings and at meetings between the Churchwardens, the Bishop and the Archdeacons, and the decision was made that a part-time priest in charge be sought to cover Ashow and Stoneleigh.

A huge amount of work was done by the Churchwardens to produce a parish profile - a document which has to be presented to applicants interested in the position - and, following many meetings, this was eventually agreed with the Archdeacons in May. Things then moved on apace but, because the appointment process could not start while Jim was still in post, he has had to resign. As Jim has explained in "From the Vicarage", his resignation will take effect from 21st July, when he will take his last services in Stoneleigh and Ashow and the parishes will then officially be in 'interregnum'.

The post is being advertised, firstly within the Diocese, and we are led to believe that there are some interested parties. All being well, the interview process will take place in July, so watch this space.

Meanwhile, we would like to thank Jim for all the hard work he has done in the parishes. Many of you will know how difficult he has found it to heal the real hurt felt in Stoneleigh at the loss of a resident vicar and the sale of the parsonage, and also the treatment it is perceived we have received in times past from the Diocese.

The regular congregation appreciate Jim's ministry as spiritual and sensitive - although his services may well be peppered with glimpses of his 'odd' sense of humour! Those who have attended weddings and funerals will also have appreciated the depth and sincerity of his manner. Thank you, Jim.

So, we move on and we ask for your prayers and support during this time of change.

Stoneleigh WI

The speaker at our meeting on Monday 3rd June was Ruth McCartney, who is a WI Adviser. She spoke about the origin of the Women's Institute in Canada in the nineteenth century and the foundation of the first Institute in Wales, in Anglesey, in 1915. She described how the idea spread in Wales and then in England until the present day, when there are over 200,000 members. Ruth also spoke about Lady Denman who was very influential in the development of the WI and the founding of Denman College, which provides day schools and short residential courses for members.

Three members attended the WI AGM in Cardiff on Saturday 1st June. The guest speakers were Griff Rhys-Jones and John Humphreys. On Monday 10th June, the Craft Group held a sugar paste modelling workshop. The Book Club met on Tuesday 11th June and discussed "The Elephant Whisperer" by Lawrence Anthony and "The Light Behind the Window" by Lucinda Riley.

A group of members travelled to Lacock in Wiltshire on Friday 14th June. They visited the Abbey, the former home of the Fox Talbot family, and the museum which celebrates the contribution of William Henry Fox Talbot to the invention of photography. They also enjoyed shopping in the picturesque high street.

The next village lunch will be on Tuesday 2nd July. The menu will be quiche, salad and new potatoes followed by strawberries and cream. If you would like to book a place, please ring Liz Sykes on 024 7641 8301. There will be no coffee morning in July or August.

The next meeting on Monday 1st July will be Members' Night. This will be a games evening and an American supper.
