Stoneleigh Church Grounds Maintenance

Thanks...

On the morning of Saturday 19th October 2013, 14 volunteers turned up to help edge lawns, cut back ivy-covered gravestones, trim back trees, prune roses and cut hedges, all of which were then recycled for the benefit of the Village Club Bonfire on 2nd November. *[Ed: Too bad it had to be cancelled.]* May I record my sincere thanks to all who helped, as recorded below?

We are clearly indebted to the wider Smith clan - Ian & Jill Smith, Martin Smith and Paul Smith (of The Old Parsonage);

The Hancox family - Richard, Anna and Keira - who carried on working through lunchtime;

Sarah Ballinger;

Robert Kingston;

Martin Browett;

The regular mowing team members - Dennis Hancocks, Peter Sibley and Clive Watson. (Apologies were received from regular mowers, Peter Whitehouse and Ian Smith.)

Gill Watson - for catering to keep the volunteers sustained.

If anyone feels able to offer some time to assist in maintaining our village's lovely old churchyard on a regular, or occasional, basis, please give me a ring (024 7641 1658), even if it is only during the summer months when sometimes we need cover for mowers' holidays. No special skills required - just enthusiasm.

Thanks again.

Social Events

The social committee continues to meet regularly to plan events. By the time you read this, we will have enjoyed a further quiz night and the Halloween celebrations. Unfortunately, the Bonfire and Fireworks event could not go ahead due to insurance issues.

The Club has stayed open to allow members to enjoy significant rugby and football games at weekends. We also open at 5.30pm on Fridays to enjoy a drink after a hard week at work. Many members have enjoyed these occasions, especially now that the colder days are here and the fire is lit!

We are busy organising winter events, which include:

Very many thanks to all who gave so generously to this year's appeal. Although, at the time of going to press, we are waiting for a few more collecting boxes to come in, we have already far exceeded last year's total, having reached the "magic" figure of £3000.

Once again I would like to thank everyone who helped, particularly with house-to-house collections and with the onerous task of counting all the money. Dennis Craddock is, as ever, an absolute star!

High Speed Rail Latest

These are worrying times. The Hybrid Bill, the first step in legally authorising the construction of HS2, will be presented to Parliament on Monday 25th November. The HS2 Action Alliance, Stop HS2 and other organisations are organising a parliamentary lobby and a demonstration outside the House of Commons that day. At the time of writing, full details are not known, but will be available on **www.stophs2.org**. (Unfortunately, it is unlikely that this edition of the News will have been circulated before that date, but those on our mailing list have been emailed). The Paving Bill, which authorised yet further expenditure on feasibility studies, engineering and construction preparation, was passed on 31st October, with disappointingly few MPs voting against, although many, including our MP, Jeremy Wright, absented themselves that day.

Details of the procedures for the Hybrid Bill can be found on **www.hs2.org.uk/developing-hs2/hybrid.bill**. There will be an opportunity to petition against the Bill and details will be circulated once known. This show is likely to continue for a few months yet!

Meanwhile, HS2 Ltd are conducting a Property Compensation Consultation. A roadshow was held in Kenilworth on 1st November. Many thanks to those News readers who attended that event. HS2 Ltd staff were unable to provide any reassurances about the impact that the construction of HS2 will have on our community, let alone the effects once it is built. "You'll only have the construction site for five years not ten" was supposed to be a helpful comment!! The fact that such a comment was made to a Stoneleigh resident is a sign that our concerns have been dismissed and that the intention remains for HS2 Ltd to locate a site at the edge of the village, all our protests notwithstanding.

To repeat the pleas in the November edition of the News, please respond to the Property Compensation Consultation, even if only to return the card which was enclosed with the News. The deadline is 4th December. Full details are to be found on **www.hs2.org.uk**, but note that, very unhelpfully in the middle of this consultation, details

of all consultations can now be found on www.gov.uk/government/consultations/hs2-property-consultation-2013.

Ashow Church News

The Advent Service, with carols, will be held at Ashow Church on Sunday 1st December at 5.00pm. The service has been written by Susan Spencer, and the Ashow Parish Singers will be performing. The church will be candlelit for this service. Mulled wine (or soft drinks) and minced pies will be served afterwards.

The Ashow Village candlelit Christmas Carol Service will be on Sunday 22nd December at 4.00pm, and we hope that this will attract the usual high number of villagers, friends and family.

We will be decorating the church for Christmas on the morning of Saturday 21st December from 10.30am onwards. We should be grateful if as many people as possible could come, and please bring "greenery" etc to decorate the candle poles.

A Christmas tree is being donated by Stoneleigh Estate, by courtesy of Sheldon Bosley, their agent, and we will be very pleased if any children wish to come and decorate it.

Stoneleigh Community Orchard

A Planting Event will take place on Saturday 14th December from 9.30am onwards.

A further 19 trees are to be planted in the Orchard to complement those trees already established.

Want some exercise? Then come along and help plant these new trees. Volunteers are needed please: some strong folks to dig holes - bring your spade - but others can help plant, stake, tie and net, or bring coffee and buns to revive the workers.

See you there!

News from Stoneleigh Church

The Church's preparation for Christmas starts with the Advent Breakfast Course, titled Expecting Christ, with four sessions starting on 30th November. Everyone is welcome for any or all of the sessions. This is an informal and relaxed way to learn and share together with hands-on activities alongside discussion, listening and space for simple reflection. Please let us know if you plan to come along (for catering purposes).

In January, we will be slightly changing the pattern of services. The All Age Service is moving to the second Sunday in the month. We are hoping that this will be an easier time in the month for welcoming all ages.

Word Slippage

We knew that getting old was tough
That knees and backs would pain
It seems that we were not forewarned
Of softening the brain.

The stiffening of the sinews
Is nothing now we find
Compared with loss of memory
And mushiness of mind.

Our brain cells are still numerous
As grains on sandy beach
But sadly now the one we want
Is always out of reach.

You start to tell a story
Your audience is agog
But then the very word you want
Seems clouded in a fog.

You have a vivid image of
This thing you need to name
A well known vegetable you say
A marrow's much the same.

A gourd, a cucumber, they cry
To help you nail the thing
No, no, I think it starts with 'a'
I plant them in the spring.

Or maybe it begins with 'b'
And has an 'l' somewhere
I think it has three syllables
And looks just like a pear.

You soon forget the reason why
You need to find this name
As each attempt at idle chat
Becomes a guessing game.

The conversation takes a turn
As others now recall
That they once grew a vegetable
They couldn't eat at all.

Your moment as the raconteur
Has surely now gone by
The word will still evade you
However hard you try.

Next day when idly wasting time
Before the tv screen
The wretched veg invades your head
The word was 'aubergine'.

Environment Agency: Check your Heating Oil Tank 2013

The Environment Agency is running a new campaign on heating oil incidents. It's a good time to check your heating oil tank before winter sets in because the consequences of leaks can be costly to you and devastating to groundwater.

Stoneleigh WI Report

The meeting in November was our Annual Meeting. The President, Pat Lines, completed her term of office and Rhona Robbins was elected as the new President. The new committee includes two members who live in Stoneleigh: Liz Sykes and Rachel Gill. Pat Lines presented the President's rose bowl to Margot Mather, who retired from the committee. Margot, a long serving committee member, was Treasurer for a number of years.

Eight teams took part in a Quiz Night on Tuesday 12th November. They answered questions on sport, general knowledge and food. There were also two picture rounds in which teams had to identify logos and outline maps of European countries. Members played Rummikub and Scrabble at a games afternoon on 19th November. During November, the Craft Group produced items for Christmas.

The next village lunch will be on Tuesday 3rd December at 12.30pm. The lunch will be sponsored by the Stoneleigh Male Voice Choir. The menu will be soup, roast turkey with traditional accompaniments, Christmas pudding, coffee, mince pies and a glass of wine. If you would like to book a place, please let Liz Sykes know on 024 7641 8301.

The next coffee morning will be on Tuesday 17th December. The lunch in January will be on Tuesday 7th January 2014, and the coffee morning will be on Tuesday 21st January 2014.

Our next meeting will be on 2nd December and will be our Christmas party. At the meeting on 6th January 2014, Kevin Barfield will talk about the life and works of George Formby.

Rachel Gill

Editor's note: A jinx seems to have attacked the listing of authors of last month's books after it left Rachel's computer. Of course, it should have been Patrick Leigh Fermor rather than Patrick Lee Fermer.

Time for a Christmas Present

I cooked my Christmas turkey on 31st October this year. I know I can get obsessive about getting things done in plenty of time, but I realise that this might sound ridiculous!

The turkey and trimmings in October is because one of the rather eccentric habits of my family is to celebrate our Christmas dinner when we go away together for October half-term (with five clergy and two medics, it's easier that way)! All 17 of us share a property, have turkey with all the trimmings, make homemade crackers and shout "Bang!" at the right moment. It's just like The Good Life! We wrap our Secret Santa presents in newspaper, having combed the charity shops with a maximum of £2 a gift. It never ceases to amaze me what can be found for that price! We've had all the classics - smellies, books, candles, hats, socks, wigs and water pistols... Why don't you try it?

Timing gets ever more pressured as the big day approaches, doesn't it? We try to shop in good time, catch the last post, arrange to see family and friends when everyone can make it, time the turkey to perfection...

How extraordinary that this festival marks the moment that our eternal God entered time and made history. The Bible says that at just the right time, God sent His Son. At Christmas, we celebrate "just the right time", so I'm hoping to keep perspective and not feel like my time is running away with me. Now is the time that God has given us - now that's what I call a Christmas present.

Bonfire Night in Ashow

Ashow was delighted to welcome some Stoneleigh residents to a hugely enjoyable bonfire evening at the Ashow Village Club on Friday 1st November.

A towering bonfire, made possible by some brilliant donations of pallets, huge timber swimming pool covers and garden cuttings, was lit at 6.30pm and marked the start of the evening, which was followed at 7.00pm by a spectacular fireworks display from the pyrotechnics team of Tim Allen, Anthony McGrath and Tony Gregory and which had children squealing with delight and adults clapping by its finale.

There then followed several hours of chat, burgers and bangers of a different kind, many pints of Tribute and other quality beverages to keep spirits high as the bonfire continued to burn outside.

Concerns that the night might not cover its costs after the price of the fireworks and insurance had once again gone up were quickly put aside thanks to guests on the night boosting numbers and strong raffle sales that helped push the night into the black and make a profit for the Club to further cheer the atmosphere.

Thanks to all those who attended and dug deep and those who helped make the event happen, including special thanks to Pete Horgan for manning the bar, Mary and her team for the delicious food, and Caroline Allen and Anne Gregory for collecting the vital cash!

We look forward to next year. Start saving your wood everyone!

Stoneleigh United Charities

Stoneleigh United Charities is a fund comprised of the proceeds of many of the ancient charities which have been donated to Stoneleigh, Stareton and Ashow over the centuries. Its aim is to provide help for those in financial need in these villages. If you, or someone you know within the villages, is in need of financial assistance, please apply for consideration to the Chairman, Jean Vaughan, 1 Wentworth House, Stoneleigh CV8 3DH (jeanniev@btinternet.com).

Stoneleigh History Society

Last month's meeting was, as expected, a fascinating one, when Pam Baker talked us through her researches into some of the earliest of Stoneleigh's parish records - the churchwardens' "disbursements", or payments, during 1663. We learnt a great deal about village life in the mid-seventeenth century, particularly since Pam had investigated the backgrounds of many of the personnel named.

Our November meeting will be held on Tuesday 26th, when Paul Smith will give a talk on the Hon Edward Chandos Leigh and Stoneleigh Cricket Club - an interesting accompaniment to the Test matches in Australia, perhaps! Everyone is welcome; the meeting begins at 7.30pm in the Village Hall.

As we approach the centenary of the Great War, research is continuing apace into the lives of those Stoneleigh men whose names appear on the Roll of Honour in the Village Hall and who, thankfully, returned to resume their lives. May I repeat the plea in last month's edition of the *News* for any detail you can give us about the men? Their names were listed in last month's edition. You can contact Lisa Reay on **lisareay@btinternet.com**.

The History Society's Christmas Social will be held in the Village Club on the evening of Tuesday 17th December. If you have been wondering about joining the society, why not come along for a mince pie or two?
