## The latest on the Gateway Planning Application

The Gateway Public Planning Inquiry is to be held at ***Leamington Spa Town Hall, beginning at 10am on Tuesday 8<sup>th</sup> April 2014.***

It would be truly wonderful if we could have a good turnout of residents on that first day, so that the Inspector is left convinced of the local feeling against Gateway. We would therefore urge as many of you as possible to attend on at least the first day.

Since you were last updated, the three Rule 6 Parties (The Community Group, Bertie MacKay's group and the CPRE) have all met Inspector Phillimore at the Pre-Inquiry Meeting (PIM) held at Leamington town hall on 22<sup>nd</sup> January. Mr. Phillimore is the Inspector who recommended passing the housing development near to Mary Arden's house in Shottery.

There were no surprises at this PIM and a number of items were satisfactorily resolved. However, the Rule 6 Parties made it plain that we were being actively excluded (by the two local authorities and the applicant) from the important steps of agreeing a Core Document List and a Statement of Common Ground. This continues, but the Planning Inspectorate and the Inspector are aware.

Our opponents are still pulling a variety of tricks. Some of you will have received the Secretary of State's (SoS) 29/7/13 notification letter regarding the inquiry. Pending the result of this inquiry, Section 14 of his letter specifically precludes any planning permissions being granted on land which is part of, or includes, the Gateway application. Since then we have discovered two such infringements.

One relates to hedge removal to allow Severn Trent to move a water main to suit the Gateway plans. We got it stopped briefly, but then WDC effectively tore up the request for planning permission for hedge removal and simply granted it, despite it being in contravention of the SoS's conditions. A complaint about this has been sent to the National Planning Casework Unit.

The other is more worrying in that it concerns extensive works at Leaf Lane in Coventry, related to the failed and still under-used Whitley Business Park. These works were actually part of the Gateway plans, but were suddenly passed as public works by Coventry City Council - and the work has already started. What was due to cost Sir Peter Rigby's company some money is now being paid for out of the public purse – you lucky people!

Unbeknown to us, Sir Peter has obviously been cosyng up to the SoS (Eric Pickles), who granted a special dispensation for these works to go ahead in contravention of his own directions letter! It seems that our Eric is as keen for Gateway to go ahead as we had always feared.

**If** we are given a fair hearing at the Inquiry, and **if** there are no further unseen Machiavellian dealings involving government at high levels - then right, plus national and local planning policies, is well on our side (in spades), and we must win this inquiry.

*It is for reasons such as the above that we all need the Inspector to fully appreciate the strength of local feeling against Gateway, and why you are so important to the success of this Inquiry.*

**Please support us on day one - at least !**

*Cllr. David Wintle, Cllr. Richard Hancox,  
David Ellwood, John Astle & Rod Wheat*

## HS2 LATEST

Disagreement and confusion continues to surround the HS2 proposal. As reported in the last edition of *Stoneleigh & Ashow News*, the deadline for submissions of comments on the 50,000 page Environmental Consultation was extended by a month due to various errors and omissions in the original document. Frustrations abound e.g. as the deadline approached the consultancy charged with analysing replies stated that the size of online submissions was restricted, raising yet more fury and disbelief. The majority of comments in the media, survey responses and reactions of numerous research and political/business bodies oppose the scheme. The winter floods have generated a new debate about priorities in public expenditure and more politicians seem willing to voice concerns, but as yet there are few signs that HS2 will be abandoned - indeed, there seems widespread stubborn support despite evidence of numerous flaws (economic/environmental/social) as well as the massive, rising, costs.

Tactically, there is no option but to continue to voice opposition and concerns because if HS2 is to be built each affected area wants the most mitigation and compensation it can possibly achieve. For this reason, the Parish Council and Stoneleigh (Against HS2) Action Group has submitted responses to the Consultation and will petition when the Hybrid Bill is introduced into Parliament in the spring. We are co-operating with other action groups and with Warwickshire County Council who continue to devote considerable efforts to lobbying on behalf of residents.

Readers who wish to keep abreast of developments at the national as well as local levels should consult the following: [www.hs2aa.org](http://www.hs2aa.org) (HS2 Action Alliance) and [www.stophs2.org](http://www.stophs2.org) (Stop HS2)

As a series of elections approach, it will be important to emphasise to candidates and their agents that prospective voters will want to know their stance on HS2 as well as on other issues.

## **All Ages and Stages are welcome**

As I am writing this, my three children, (who are more than ready for half-term!) have been given permission to choose something to watch on the telly to chill out for a bit after school. I am trying my hardest not to go and intervene, even though I can hear that choosing what to watch is not proving to be such a treat as I had hoped. I think it's good parenting not to go and resolve the conflict. Much better for them to learn their listening and negotiating skills now amongst their siblings than for me to go and lay down the law – but if it carries on much longer...

It's not very easy to please everyone all of the time – more like impossible! Serving up a family meal to accommodate everyone's preferences and dietary requirements and timings is no picnic either, especially when we bring all the generations together around the table. What did we do before a squirt of ketchup wondrously calmed the atmosphere at the tea table?!

When coming together as the family of God, the Church, we are working very hard to try to make all ages and stages welcome and catered for and to be open to new ways of enabling that. Many of the services at Stoneleigh and Ashow are valued by adults, and we offer small groups and special courses throughout the year for adults learning and worshipping together. Every Sunday an activity is introduced as part of the service to help our younger ones engage with the theme. On the second Sunday of the month a dedicated team give of their time and experience to explore worship outside of the set Anglican liturgies. Clearly the worship equivalent of a squirt of ketchup is not for everyone but if it helps the children stay at the tea table, as it were, and learn to eat their greens, then we will relish its liberal usage with abandon! Besides, there is something essential about all the generations gathering round and sharing food – actual and spiritual. Because it is so important to us to provide a welcome to all ages and stages, we are offering some new special services and events, which we would love to share with you:

**Celebrating Baptism:** At 11am on Sunday 11<sup>th</sup> May, there will be an opportunity to renew baptism promises. If you are a parent who brought a child for baptism, a godparent, a child who would like to know what was said on your behalf when you were a babe in arms, or someone who would like to mark their own baptism on their journey of faith, then this service is for you! If you would like to know what baptism is about, come and join in the family party – and bring a picnic and stay for fun and games afterwards.

**Holiday Club:** A marquee will be going up in Stoneleigh churchyard to provide a venue for an exciting week from 4<sup>th</sup> – 8<sup>th</sup> August. The club will run for a couple of hours each weekday morning, but we will be launching our rocket to Space Academy at the All Age Service at 11am on 13<sup>th</sup> July and celebrating our space voyage at the All Age service at 11am on 10<sup>th</sup> August. The club is for primary school children; under-5s are welcome to stay with their own adult responsible for helping them to join in and stay safe; and if any young people would like to join us, we would love your help. Look out for our stall at the Duck Race where you can find out more, start to build our Rocket and register – for FREE!

**The Spinal Injuries Association says: *Hold a Fish and Chip Supper to help spinal cord injured people rebuild lives after injury.***

### **Great British Fish and Chip Supper – Friday 16<sup>th</sup> May 2014**

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 16<sup>th</sup> May 2014 whilst raising awareness of spinal cord injury and supporting SIA's vital services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2014 SIA is celebrating its 40<sup>th</sup> anniversary and so we want to make the batter matter and raise £25,000 from everyone holding suppers. Last year we raised £12,500 from the suppers.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group."

For more information or request a fundraising pack call Elizabeth Wright on 0845 071 4350 or email [fundraising@siafishandchips.co.uk](mailto:fundraising@siafishandchips.co.uk) or visit [www.siafishandchips.co.uk](http://www.siafishandchips.co.uk)

### *Message from Police re Dog Owners*

**If you're a dog owner you more than likely enjoy taking your dog(s) for walks in the countryside, including on agricultural/farm land. It is important to keep an eye on your dog(s) and make sure you watch that they don't eat from found animal carcasses and most importantly that you pick up all of your dogs' excrement. This also means once the dog poo has been bagged, you DO NOT leave the bag at the side of a field/path, hoping that you remember to pick it up on the way back to the car. Dog excrement left in the countryside can have serious consequences.**

**Click the link in blue to find out more about the Neospora Parasite on the BBC Countryfile website. You can catch the episode/feature from Sunday 16-FEB-2014 on 'catch up TV' or BBC iPlayer.**

### **Stoneleigh History Society**

By the time this reaches you the Society will have been treated, at our February meeting, to a trip down memory lane when Shirley Ball talked about Stoneleigh from old photographs. Once again Shirley stirred recollections of the past via a selection from her treasure trove!

Once the “business” aspect of the meeting is concluded we shall hear a talk from Dr Nat Alcock on The Weaver’s House, Spon End, Coventry, a cottage restored to show how a weaver would have lived in 1540. It promises to be an excellent talk and will be followed up in the summer by a visit to see the house.

As the weather improves (!) don’t forget our photographic competition (see last month’s edition). We’re looking forward to assembling a super 2015 “Stoneleigh Calendar”.

## STONELEIGH WI

The speaker at our February meeting was Liam D'Arcy Brown, who has written several books about China. He talked about the island of Chusan at the mouth of the Yangtze River, which was occupied and ruled by the British for three years in the mid-19<sup>th</sup> century. He told the stories of some of the British settlers attracted by the opportunities for trade on Chusan.

This month members of the Craft Group have been learning mosaic techniques. There was a Games Afternoon on 18<sup>th</sup> February and an outing to see the snowdrops at Painswick on Friday 21<sup>st</sup> February. The Book Club met on 25<sup>th</sup> February to discuss "The Firebird" by Susanna Kearsley and "Daisy, the Life and Loves of the Countess of Warwick" by Sushila Anand.

The next village lunch will be on 4<sup>th</sup> March. If you would like to book a place, please ring Liz Sykes on 024 76418301. The next coffee morning will be on 18<sup>th</sup> March at the Village Club. The title of Paul Betterton's talk at our meeting on 3<sup>rd</sup> March will be "Mysteries of the Titanic".
