The Arch family has been delivering milk in Coventry and the surrounding areas for more than 100 years. My great-grandfather started delivering milk in 1874. My father, Derek Arch, is officially the oldest milkman in England and is still delivering to this day at 87 years old.

We support the farmers by buying our milk from Cotteswold Dairies, who pay a fair price to their farmers, some of whom have been supplying Cotteswold Dairies for over 50 years. The milk is collected within a 70 mile radius of the dairy in Tewkesbury.

Join us and support the farmers' milk and many more things, all delivered before 8.00am.

Stoneleigh Community Orchard

Pete Freeman

The Orchard Group would like to thank all those who attended Stoneleigh Village Club back in October for our quiz night as well as those who helped make it yet another successful and entertaining event! We also hope that those of you who tried our prototype Stoneleigh cider found it a pleasant experience.

It is a tradition at this time of year to reflect on the past as well as consider possibilities for the future, which are best described in an article that has recently been written for the December edition of the Warwick Natural History Newsletter.

Stoneleigh Community Orchard started as a project in 2011 and offered a means of achieving several objectives. The principal objective was to act as a community resource and focus. Stoneleigh, in common with many other villages throughout the country, has seen a gradual erosion of resources such as village shops, garages, pubs etc. and so it was the intention of this project to, in a small way, reverse that trend and offer the local community a stake in a natural resource that should ultimately be self-sustaining as well as produce an area of beauty and recreation. It has also been a lot of fun to work upon. The underlying theme of the orchard is based upon the production of cider and perry, with trees chosen to reflect this bias and varieties such as Dabinett, Tom Putt and Yarlington Mill originating from the West Country, mixed in with more local varieties such as Wyken Pippin named after an area in nearby Coventry. Warwickshire doesn't have a tradition of cider apple orchards but, to our astonishment, the trees have thrived along the river valley that runs through the village and are already producing a bountiful harvest. We are now in the process of creating a small cottage industry based on cider production, with the intention of the orchard paying its way in the world as well as helping to meet another objective of creating a wild flower area to complement the trees. Each year, the Orchard Group who manage the orchard seem to be on the threshold of achieving something new. This year, we intend to broaden the

orchard to encompass the entire field, which will involve the planting of further cider apple trees in December. A Stoneleigh cider is also close to completion!

Given the above, we hope that those of you who have the time and the interest in this project come down to the meadow on the morning of Saturday 5th December for a tree planting event aimed at incrementing the orchard and helping to create an area that we, as a community, can be proud of.

The orchard friends' subscriptions comes up for renewal at the start of the new year. Renewals of £10 can be made to Pete Freeman as Chairman or to Richard Hancox as Treasurer. Cheques should be made payable to Stoneleigh Village Community Orchard. However, why not become a long-term friend and set up a direct debit?

Finally, the group would like to wish everyone a Merry Christmas and a Happy New Year.

POSADA - Making Room for Jesus

Revd Sharon Goble, Priest in Charge of Stoneleigh and Ashow

As the Christmas season is upon us, many of us are making our homes festive with decorations as well as preparing and opening our homes to receive visitors as families, friends and neighbours get together. I'd like to invite you to share your hospitality a little differently in a Posada project, which I hope will enhance this often busy season for you and our communities, and will give a focus to remembering the Christmas story of Jesus.

Posada is a Spanish word meaning 'inn'. Posada celebrations originated in Mexico where young people, dressed as Mary and Joseph, travelled from house to house, telling people about the imminent arrival of Jesus and asking for a room for the night. At each home, they shared the Christmas story and joined in worship with their host family. On Christmas Eve, they would visit the local church to re-enact the nativity and place figures of Mary and Joseph in a crib.

The modern day Posada is based on this concept and encourages us to give a home to the nativity figures of Mary and Joseph for a night. This symbolises making room for Jesus in our hearts, homes and communities. Each night during Advent, it is hoped that the figures will visit a different house in our communities. Each host chooses who to contact and pass the nativity set on to for the next night.

On Advent Sunday, 29th November, the Stoneleigh crib set will begin its journey at the 11.00am all-age service, and the Ashow crib set will begin its journey at the 4.00pm Advent carol service.

Each nativity set will go home with someone from church who will then decide who to contact and take the figures to on the next day. The figures will arrive with:

- An Advent candle to light long enough to burn down to the next number;
- A notebook in which to log where the crib set has been. This could be simply your name and address, but may include who was involved, a photograph, your own thoughts, conversation about the meaning of Christmas, and prayers. If you use email, please send one to me at **sharon.goble@btinternet.com** and I will remember you in my prayers that night too.
- A prayer card. If you have time, visitors and receivers of the set could share a drink together (anything from a cup of tea to mulled wine!) before sharing the prayer card.
- A bag of glow-in-the-dark stars. Please keep one star of wonder and use it to help you continue thinking and praying about the story of Jesus and the meaning of Christmas. If you are able to join us at the **crib service at 5.00pm on Christmas Eve in Stoneleigh Church**, bring it with you. It should look great to see them all glowing in church! You are welcome to keep your star as a reminder that Jesus' birth in Bethlehem has lasting meaning for the whole of our lives and there is always more for us to wonder at when we think about God coming to us and how we receive and welcome him.

Happy Christmas!

God bless.

Stoneleigh & Ashow News Annual General Meeting

Margaret Wallis, Chair, S&A News Editorial Team

This is formal notice that the News AGM will be held at 7.30pm on Monday 14th December 2015 in the Village Hall (small meeting room). This is an opportunity for the editors to review the previous year's issues and to discuss any policy matters, as well as to approve the accounts and welcome two new editors, Jane Taylor and Bill Crofts. If any reader wishes to make comments on any aspect of the News, please get in touch with me *before* the meeting on 024 7641 4271 or mswallis1@gmail.com.

I would like to place on public record my appreciation of the efforts of all editors and distributors who have ensured that the News has appeared as planned throughout the year, and to Clive Watson, our Treasurer, whose careful stewardship and gentle soliciting of voluntary contributions has ensured that our accounts remain in the black.

This year, I wish to convey particular thanks to David Vaughan who has been an editor for many years and who is retiring from the editorial team. With enthusiasm and efficiency, he met the considerable challenge of transferring from the original 'cut and paste' method of News production to the desktop publishing system now used. He has been a consistently supportive and engaged member of the team and we shall miss him, although he will continue to assist Jean with distribution.

Treasurer's Reminder

Clive Watson, Honorary Treasurer

To residents new to Stoneleigh and Ashow, or those residents who "never quite got round to making a payment", may I remind you that this free-to-all residents' magazine of local issues is funded by annual donations from appreciative readers plus some advertising revenue based on £15 per half page or £30 per full page (all subject to the editors' discretion)? Making a payment is straightforward. You can pay either by cheque (payable to Stoneleigh and Ashow News, addressed to The Treasurer, Alliance Cottage, The Bank, Stoneleigh CV8 3DA) or directly into our account, stating your name or anonymously if you wish (sort code: 60-12-35, account number: 63535718).

All of the production team of editors and distributors volunteer their time. Therefore, *your* financial support would be appreciated to maintain this service. Thank you.

Stoneleigh Church News

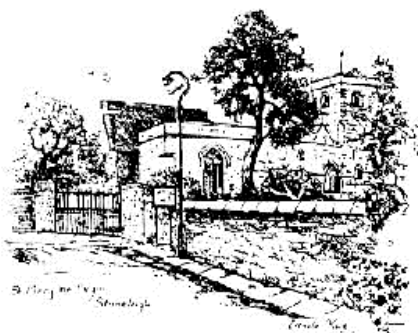

Sarah Ballinger

We had the best ever turn out for our last film night on Friday 13th November, when we showed the delightful film *Paddington*. Thanks to Jane and her team for organising and to everyone who came.

The church had an autumn clean last month. A team of volunteers set about inside with their cleaners, dusters and polish. A few days later, others set about the churchyard, adding some extra pairs of hands to the regular gardening team. Some were so keen to help that they took part in both! Thank you all for helping. We now have neat edges to the grass and pruned rose beds, with the smell of polish as you enter the church showing our visitors that it is a well-cared-for place.

It was this time last year that we reported we had finalised our first round application to Heritage Lottery Fund for a grant to enable us to repair the roof and stonework. Having been granted the first stage in March, we are now nearly ready to submit the second stage application in the New Year.

It is a long and drawn out process and, whilst Ian Smith has been working with the architects on the 'building' aspect, Niki Molyneux and others are putting together all the information for the 'community aspect'. The Heritage Lottery are keen, like us, to hear everyone's views about what you think of the building which sits in the heart of the village. Have you ever considered how you felt about the church building and community? Do you see it as an essential part of village life, a place of worship or a historic monument to be preserved for future generations? We value your view and are interested to know your thoughts. In the New Year, we will be bringing a questionnaire to every home in the parish to give you a chance to have your say. We hope you will find time to fill it in.

Stoneleigh Church

Grounds Working Party

Clive Watson

Many thanks are due for the hard work put in by the “willing volunteers” who turned up on the morning of 31st October. Work involved pruning flower beds, edging paths, cutting back overgrown brambles and trees, and removing ivy creeper, all of which have improved the general appearance ready for spring. The working party included Sarah Ballinger, Quentin Compton-Bishop, Tim and Patrick Sawdon, Peter and Jackie Sibley, Ian and Gill Smith, and Clive Watson. Thank you all.

Situation Vacant

As the years go by, some of the regular mowing team retire. So for 2016, “apprentices” (of any age) are required please to assist either on a regular weekly basis during the mowing season or as standby volunteers to cover holidays taken by regular mowers. If you think you would enjoy the exercise and fresh air, whilst helping our lovely historic churchyard look great for all occasions, please give me a call on 024 7641 1658 or speak with any of the mowing team known to you. An occasional one hour session would be a real help - all equipment provided.

Sheila Woolf, Honorary Poppy Appeal Organiser, Stoneleigh Area

Once again, my very sincere thanks to all who donated so generously this year. Despite our having lost several sales outlets in 2015, our total came to £3,017.25, not far short of last year's collection. The children of Finham Primary School came up trumps again with a marvellous collection of £319, and I should like to say a special thank you to the lady at the NFU offices who boosted their poppy sales enormously by baking cakes as an incentive to buy!

Thank you, too, to all who collected "house-to-house" and to the diligent team who help every year to count the money.

Parish Council Notes

Councillor Sue Crofts & Pat Maddison, Parish Clerk

November Fast News from the PC

- Thirty-one members of the public attended Stoneleigh Village Hall on Thursday 12th November to hear what the developer's representative had to say about plans for new housing in the village. There was a strong feeling that it was not a sensible proposition, given the traffic problems in and around Stoneleigh.
- A traffic survey has begun, instigated by the PC and carried out by WCC. Once this has been completed, we can progress on ways to manage traffic better.
- A petition has been submitted by the PC on the latest HS2 proposals.
- A Housing Needs Survey is being delivered to all properties in the Parish of Stoneleigh this weekend. Please complete, as the information you provide will help us to plan for the future.

Meetings

The December Ordinary Council meeting will be held at Ashow Village Club on Thursday 10th December 2015 at 7.00pm. Please note earlier start time. Following the meeting, do join us for a drink and nibbles. The January Ordinary Council meeting will be held at Stoneleigh Village Hall on Thursday 14th January 2016 at 7.30pm.

Live & Local

The following information has been received from Live & Local, who organise surprising shows with volunteer groups in surprising spaces such as community centres and village halls in rural areas. All the shows are live performances and vary from plays, folk and jazz to storytelling and comedy. Live & Local are supported by the District and County Councils, so can offer the shows at subsidised rates. Live & Local are currently looking to get more villages within Warwick district involved and signed up ready for 2016, and wondered if Stoneleigh would be interested with a view to staging something in Stoneleigh Village Hall. HS2 Update

Margaret Wallis, on behalf of Stoneleigh Action Group

Thanks to Martin Smith and Anthony Bianco, StAG has submitted evidence on AP4. We continue to campaign for the preservation of Stoneleigh as a medieval village, especially Stare Bridge which will be badly affected by HS2. Stare Bridge was featured in a recent BBC News England Online article which highlighted the damage that HS2 will do to many ancient monuments and woodlands along the route.

StAG and the Parish Council have strongly opposed the proposed use of the B4115 as a 'trucking route' and the use of Stoneleigh Bridge for any traffic associated with the building of HS2.

Of great significance is the recent belated recognition by HS2 Ltd that an 'enhanced junction' (road widening or a roundabout) is needed at the junction of the A46 and Stoneleigh Road and that this should be part of the overall plan in this area. However, as yet such a junction is unfunded by HS2 Ltd, but it has the support of Coventry City Council, Warwickshire County Council, Highways England, Jeremy Wright MP and, of course, the Parish Council and StAG. Negotiations about this and other necessary works along the route are ongoing.

Thanks are due to all those who have worked so hard through numerous meetings and negotiations to get to this point.

It is expected that HS2 will feature in the Chancellor of the Exchequer's forthcoming Autumn Statement. The Cubbington Pear Tree, threatened by HS2, has won the Woodland Trust's public vote for England's Tree of the Year.

“The Heart of Stoneleigh” Defibrillator

David Ellwood

Since last month’s issue, we have been helped almost over the line by further contributions from the Parish Council and offers from other bodies, and I have been touched by individual donations from residents. Thank you all very much indeed. The money will be administered and overseen by the Parish Council, but will be ring-fenced so that it can only be used for the defibrillator.

To give familiarity with the device and with CPR (cardiopulmonary resuscitation), West Midlands Ambulance Service will train up to 12 of us free of charge. Ideally, those will be spread through the village and the surrounding areas: Stareton, Stoneleigh Park, the Abbey and generally.

Will **you** be one of them?

In addition, Bubbenhall have four Community First Responders: volunteers who have more than just the basic training and can give much broader-based emergency assistance. To save vital minutes and seconds in an emergency, each is equipped with a defibrillator.

Will **you** be a Community First Responder for Stoneleigh?

I look forward to hearing from you. Please contact me on 07785 284482 or at dae@MediationandArbitration.co.uk.

Our October meeting was extremely well-attended for a talk by Pete James on the history of Stoneleigh's fulling mills. Pete gave a fascinating description of this early industry and its importance to the village and surrounding area.

At the time of writing, we are a week away from 24th November's meeting - a talk on the Leigh Peerage case, a real "Stoneleigh Scandal". We are also looking forward to our Christmas Social on Tuesday 15th December and to our quiz on Saturday 16th January (all welcome!), both of which will be held at Stoneleigh Village Club.

Visitors are always welcome at our meetings. If you would like to see the sort of things that we do, take a look at our website - www.stoneleighhistorysociety.org.uk.

Stoneleigh WI Report

Rachel Gill

The Annual General Meeting was held on 2nd November. Rachel Gill was re-elected President, Chris Ward will continue as Secretary, and Liz Sykes as Treasurer. The new Margaret Pierozynski Award was presented to Chris Barnes in recognition of her contribution to Stoneleigh WI in establishing and running the Craft Group. The President's Rose Bowl was presented to Marie Nock in recognition of her work in setting up an art group for members of the Craft Group.

In November, the Craft Group made various items for sale. There was a sales table at the AGM and there will also be one at the next village lunch.

The Book Club met on 3rd November to discuss "The Girl in the Photograph" by Kate Riordan and "The Secrets We Share" by Emma Hannigan. A group of members saw "Wendy and Peter Pan" at the RSC in Stratford on Wednesday 25th November.

The next village lunch will be on Tuesday 1st December at the Village Hall when, as usual, a traditional Christmas lunch will be served. The Stoneleigh Male Voice Choir has kindly agreed to sponsor the meal and to provide entertainment afterwards. If you wish to book a place, please contact Liz Sykes on 024 7641 8301.

The next coffee morning will be on Tuesday 22nd December at the Village Club.

The village lunch in January will be on 5th January 2016.

The meeting on 7th December will be the Christmas party. At the meeting on 4th January, there will be a cookery demonstration by Annaliese from The Hartshill Cookery School.
