## Ashow Church News, September 2016

The Ashow Church **Harvest Lunch** will take place on Sunday 25<sup>th</sup> September at 12.30 for 1.00 pm at Ashow Village Club. Everyone is welcome. Tickets £10 to include lunch and dessert, from Stephen Harvey (tel 01926 952543), or Kate Jones (tel 01926 853511), or any PCC member. Children under 12 are free.

### Confirmation Service at Ashow Church.

Bishop John of Warwick conducted a lovely and moving Confirmation service on Sunday 7<sup>th</sup> August for 6 candidates from Ashow and Stoneleigh churches. They were Sue, Emma, and Nicola from Ashow church, and Stephen, Jackie and Janet from Stoneleigh. The hymns were all chosen by the candidates.

After the service there was a celebratory drink in the churchyard. The churchwardens would like to thank particularly David and Diana Holt for organising the drinks, flowers etc., and Martyn Foster and Tony Gregory for serving the refreshments, as well as previously mowing and tidying the churchyard. David Wareing provided his marquee but we regret this was damaged by some persons unknown during Saturday evening.

## Summer Serenade in Stoneleigh—yet another triumph!

Unlike last year, arrangements for the annual Summer Serenade were not dogged by bad weather and 300+ enthusiastic supporters assembled in cheery summer clothes ready to enjoy a happy afternoon filled with music and fizz (thanks to Keith Walker and his team of bar tenders and servers) on the lawn of Wentworth House.

The Stoneleigh Male Voice Choir entertained us with a range of songs, accompanied by their Musical Director, Alan Biddle, and conducted by Judy Hadfield. This year's guest was Victoria Wilson, accompanied by David Mason, who sang a variety of songs from the shows and light opera, gliding amongst the audience, making everyone feel involved.

Many thanks to those who generously provided raffle prizes and bought tickets. The raffle raised £1,700 and a cheque for £3,000 was presented to Amy Kilpatrick of the Motor Neurone Disease Association by SMVC President, Phil Jones, continuing the SMVC's longstanding tradition of charitable fundraising. Such events cannot happen without untiring efforts of many people behind the scenes, especially Phil Jones and his team of temporary furniture removers who collected and returned garden furniture and gazebos loaned by villagers and SMVC members. The Choir is very grateful for the help provided by the Kenilworth Lions before and after the event. Thanks to the food and drink purchasers and of course to Jean and David Vaughan and Judy and Chris Hadfield who allowed the use of their gardens for the occasion.

On behalf of all those present, well done and a huge thankyou to the Stoneleigh Male Voice Choir for providing another wonderful afternoon's entertainment. (N.B. The SMVC's next event is a joint one with the Ladies Choir and will be held on Friday 21 October in Kenilworth. More details to follow).

## Broken Body

In recent times there have been so many stories of tragedy and senseless violence in acts of terrorism across the world. Each news report affects us and touches us deeply. Our hearts go out to those who knew and loved those whose lives have been so cruelly cut short. In a different way my heart still goes out to the perpetrator at the age of nineteen who was shot dead by armed police following the brutal murder of Fr Jacques. The killing of this priest who was in the act of presiding at mass in a church just outside Rouen is powerful in its symbolism. I guess that was the aim – but perhaps not as we who believe and who regularly share bread and wine as representations of Jesus' body and blood actually perceive it. For disciples of Jesus, the bread and wine symbolise for us the sacrifice of Jesus himself in his death on the cross, but Jesus' death, though at the hands of evil tyrants, is not senseless, nor a final defeat. The death of Jesus is the way to life and the grounds for hope for us all.

Bread and wine; wafers and *Vino Sacro*; the Holy Communion are familiar to the practising Christian, especially for Catholics and Anglicans for whom the remembering of the significance of Jesus' death in this sacrament is often central to our worship. Familiar settings, familiar liturgy, silver chalice and patten, embroidered linen – and we

perhaps forget how brutal this imagery really is, how stark and powerful its symbolism, how rooted in everyday life. When Jesus invested the bread and wine with this meaning, he wasn't stood at an altar in a special building – he was sat at a dinner table with his friends.

As the building work continues on Stoneleigh church, its people are sharing communion in less familiar settings from our normal pattern of worship. We hope you will join us together with our friends in Ashow church on the first Sundays of the month (4<sup>th</sup> September), at Stoneleigh village hall on second and fourth Sundays of the month (11<sup>th</sup> and 25<sup>th</sup> September) and at the village club for the third Sunday of the month (18<sup>th</sup> September.) For some the unfamiliar setting will feel a bit uncomfortable (or perhaps more comfortable!); others will welcome the change and opportunity to think outside the box pews.

In the words of a prayer to invite everyone to share the bread and wine:  
Come to this table, not because you must but because you may,  
not because you are strong, but because you are weak.

Come, not because any goodness of your own gives you a right to come, but because you need mercy and help.  
Come, because you love the Lord a little and would like to love him more. Come, because he loved you and gave himself for you.  
Come and meet the risen Christ, for we are his Body.

God bless

## B T : Breakfast Together:

### **Bringing it all together and it's *still* good to talk!**

Stoneleigh Church would like to invite together anyone who is involved in Stoneleigh community in its widest sense and we thought this would be fun over breakfast on **Saturday 10th September 2016, from 8:30 – 10:30am** at Stoneleigh Village Hall.

(Can't promise a full-English but we'll do our best to honour those who give up a bit of Saturday morning!) The timing is influenced by the attempt to avoid any other diary plans in the diverse range of activities associated with Stoneleigh community. No one is excluded who wants to come, but we will prompt each organisation or group with an invitation to send at least one representative. We don't want to overlook anyone, but you know who you are and we might not yet... so let us know if you are interested by emailing Sharon (details below). The agenda is very open-ended in that we simply envisage coming together to meet others, to talk informally about activities and businesses we are already planning and involved in, in the hope that we might strengthen community by getting to know one another and what's going on better. We do have a vision that more partnerships, support and new ventures might emerge from this forum opportunity. We propose repeating this six-monthly, if there is a spark of interest.

Look forward to seeing you there, God bless

Reverend Sharon Goble, Priest-in-Charge of Stoneleigh and Ashow

## Stoneleigh Church News Building and community project

At long last the work has started on the repairs to the stonework and replacing the church's nave roof. At 7.30am on Monday, 15th August Ian handed over a West Door key to the Foreman working for the Contractor, Croft Building and Conservation Ltd, into whose care we are placing the Church during the 20 plus weeks it will take to conclude the contract.

During the first 3 weeks the Contractor will be engaged in site protection, erecting scaffolding both externally and internally and erecting hoarding so, apart from some internal work on the tower steps, the major work on stripping the gutters and roof will not commence until the 5th week.

Centuries' old St Mary's church under repair.

We were successful with our application for the grant to do the repairs because we put a strong case for the 'community aspect'. As you may know from the questionnaire many of you completed, Heritage Lottery Fund will only award the Peoples' Lottery money to projects that benefit the local and wider community.

Whilst the building work goes on Sarah is leading a team who will be implementing the community bid. The work will be split into four different areas: **Space** – how we can best use the space in the building to benefit the community: **In-**

**terpretation** – this includes guides, schools work sheet, displays and ideas of how to engage visitors: **Sharing** – Events in the building, for example concerts, poetry readings and Sunday teas along with those that take place outside, for fund raising or to raise the churches profile: **Website** – we already have the

design from the first stage of the application but now we need to produce all the text and photographs before it can go live.

To make the project work we need some additional volunteer time from the community. If anyone can offer some of their time or expertise, however small, please contact Sarah. It might be anything from ideas on how to engage schools, creating worksheets, typing articles, proof reading, helping at Sharing Events or ideas of how we can better communicate and get ourselves noticed.

The funds we currently have will enable us to make the building watertight and complete the community projects. The scaffolding is very costly so whilst it is in place we would like to complete other internal repairs to the higher parts of the building that the architects say are necessary. For this additional work we have a shortfall in the region of £60,000. The professional fundraiser the PCC appointed has currently brought in some £15,000 and we also have a number of applications pending to Trusts. Any further help in this respect would be most welcome.

Whilst the project is going on there will be a progress report in the S&A News. The contractors are skilled craftsman and are keen to share their knowledge with us others so there will be a display at the back of the church with pictures of the work that is going on out of sight.

If you have any concerns or comments to do with the building work or the contractors please contact: **Ian Smith: 01926 853238 [hexworthy@gmail.com](mailto:hexworthy@gmail.com)**  
If you feel you have some spare time or have some ideas to share on the community aspect please contact: **Sarah Ballinger: 02476 715256 or 07977513794 . [sarahjballinger@gmail.com](mailto:sarahjballinger@gmail.com)**

# Stoneleigh Village Duck Race and Fayre

Well, what a day we enjoyed on Saturday 13<sup>th</sup> August! The sun shone and all the ducks were in fine fettle having been in training for some weeks!

I would like to thank the SVC Social committee who have worked hard for many months to ensure that the day went well. It would be easy to forget the amount of hard work and effort that goes into organising such an event but I have seen firsthand how hard this amazing bunch of people has worked on behalf of the club and the village.

So..... take a bow Lynda, Jan, John, Mel, Chris, Ed and Carol.

We were all grateful to Jim and Karen who worked a very long and busy day and evening behind the bar with their usual efficiency. A mention must also go to Tom Higgins who kept us all very entertained later in the club with his Irish dancing. (See Facebook page for evidence!)

So many people helped it would be impossible to mention you all, so please know that ALL of your efforts in running the BBQ, making cakes, helping to set up, organising the parking, putting up bunting, running the various stalls/beer tent/tea stall etc. and clearing up afterwards, are MUCH appreciated. Several people commented about the wonderful community spirit that was evident at this event and I wholeheartedly agree with that. (And so do all those who

enjoyed a great afternoon. Ed.)

Crowds gather at the finish line, but some are more interested in tractors than in ducks. Photo:Tom Marshall

As for the ducks, after some discussion the SVC committee was asked to adjudicate and agreed that that the first placed duck was the first one to hit the board NOT the first one out of the water.

1st Place was taken by a SVC Committee member with number 308. The £100 prize was returned to SVC to add to our building fund which is much appreciated.

The second duck home was number 490 purchased by Alan Lowe and winning the £50 prize and third was won by Mel Dearing's dog, 'Pero.' Pero is now looking forward to stocking up on 'Bonio'!

Thanks again to everyone. **Ann Lowe**    **Chair SVC**

## HS2 Update

Uncertainty about this project continues. The media and technical journals continue to carry numerous items/articles/research papers most of which contain fierce criticism of HS2 as a seriously flawed project. On the other hand, there are several lobbies arguing that huge infrastructure projects are exactly what the UK economy needs post-Brexit. Meanwhile HS2 Ltd. is continuing its plans.

On 4<sup>th</sup> August a liaison meeting was held between some of the HS2 Ltd staff who have responsibility for the project in this area, and representatives of Stoneleigh & Ashow Parish Council, Stoneleigh Action Group (against HS2), Stoneleigh Park and Warwick District Council. Some further details were divulged, questions asked (and some answered) and assurances requested (and some granted) about the effects of construction especially as far as traffic is concerned. HS2 Ltd was left in no doubt about the huge concerns about how our community will be affected in the months and years ahead.

Members of the local community will have the opportunity to ask questions themselves on Thursday 8 September when members of Warwick District Council highways department will attend the meeting of Stoneleigh & Ashow Parish Council to discuss traffic issues. (See p.18 for more information.)

HS2 Ltd has recently circulated a yellow leaflet to all households explaining (?) HS2 and the various property schemes that have been devised to assist those affected.

More information available from [HS2enquiries@hs2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2enquiries@hs2.org.uk) or phone 020 7944 4908. There is now a Residents' Charter and Commissioner which is intended to ensure effective communication with people who live along or near the HS2 route.

## Going for Gold!

Well, we went for gold and, like Team GB, we achieved it.

This year's club, based at Stoneleigh Village Hall from 1<sup>st</sup> to 5<sup>th</sup> August, attracted our greatest numbers yet, with over 30 children and young people registered.

A team of adult 'coaches' and helpers, overseen by our 'President of the Games,' Rev. Sharon, kept the youngsters busy with team building activities, from making team flags to cardboard canoes for a final dry race as part of the sporting 'All-impics.' In addition, the many craft and cooking activities kept everyone engaged, in between singing anthems with lively actions, joining in the stirring memory verse, and not forgetting our own motivational Marathon Man!

Every day we heard a bible story about Paul, learning about his conversion to Christianity, and all the difficulties he endured on his remarkable journey to spread the message about Jesus Christ. Just as Paul compared his life to a race, our 'All-impics' concentrated on taking part and encouraging others to overcome obstacles to reach the final goal.

The popular outdoor activities, helped by mostly excellent weather, gave our three teams plenty of opportunity to let off steam and cheer along their team mates, and the daily scores were added to those for the daily quiz based on both the bible stories and the Olympics. Energy levels were kept up by the welcome platters of fresh fruit, which disappeared much more quickly than it took to prepare them!

The enthusiasm throughout the week was amazing, and all involved, young and old, shared a memorable week of fun and fellowship. There was a final celebration of the Holiday Club on Sunday 7<sup>th</sup> August, when families met for a picnic lunch on the field outside the Village Hall and had the chance to see what we had been doing.

## A Local Champion

Young Harry Horton- Barr is only 10 years old – but has already represented his country at the European Equestrian Championships, in the under 12 age group, in Germany this year, where the team finished 3<sup>rd</sup>.

Harry trains every day in Stoneleigh on his pony Pearl – I watch him from my garden.

Harry competes in ‘mounted games’ where the riders need a high degree of athletic ability, excellent riding skills, hand to eye coordination, determination and team work.

His successes this year are:the Welsh Pairs under 12 Champions, Cock of the North Champions, Grovefields pairs Champions, Northern Challenge Champions, John Scott champions and reserve champions at the UK masters. What an achievement!

Harry also competes in Pony Club activities and is currently in Wales competing in the under 12 individual finals against the best in the country.

# Stoneleigh History Society

Over the summer, despite not having a regular meeting, we have been busy as usual. At the church's "Tea and Cakes" on Sunday afternoons we have been on hand to chat to visitors about our churchyard exhibition, and we have been pleased to discuss our projects with visitors both local and international. As the church has now closed, we have nowhere to show the work of the society, but our website [www.stoneleighhistorysociety.org.uk](http://www.stoneleighhistorysociety.org.uk) will act as our showcase.

Some Stoneleigh residents came to Earlsdon for our commemoration of the centenary of the first day of the Battle of the Somme, on July 1<sup>st</sup>. We worked with the Earlsdon Research Group and Spires Music, of Coventry, and the resulting event was a moving and thought-provoking occasion. It will be repeated at Stoneleigh Abbey on November 18<sup>th</sup>, marking the final day of the battle. More details will appear in the next issue of this magazine; residents of Stoneleigh and Ashow, their friends and family, would be most welcome at this local event.

Our next meeting will be on Tuesday September 27<sup>th</sup> when Peter James will talk about the history of local silk-weaving. Perhaps someone in your family was associated with this work? We meet at the village hall for a 7.30pm start, and all are welcome.

## Stoneleigh WI Report

The meeting on 4<sup>th</sup> July was a games evening. Unfortunately the weather made it unsuitable for outdoor games but there were plenty of indoor games to enjoy, including rummicub, scrabble and jenga. The games were followed by an American Supper.

On 20<sup>th</sup> July five members visited Croome Court to see the Embroiderers' Guild Exhibition in the Temple Greenhouse. Members of the Guild displayed beautiful pieces of embroidery and other multimedia work. There was also a display of Grayson Perry tapestries, "The Vanity of Small Differences" to see.

The Craft Group have been learning tatting and experimenting with new painting techniques. On 19<sup>th</sup> July the Book Club met to discuss "Blue Stockings" by Jane Robinson and "The Girl You Lost" by Katherine Croft.

If you wish to reserve a place at the Village Lunch on 6<sup>th</sup> September please ring Liz Sykes on 02476 418301. The Coffee Morning will be held in the Village Club on Tuesday 29<sup>th</sup> September.

The Speaker at the meeting on 5<sup>th</sup> September will be Merial Acton, who will be speaking about the life of a Crown Court Judge.

## Stoneleigh Community Orchard update

The summer months for the Orchard Group have been far from quiet and have seen a lot of discussion and debate concerning its future structure and direction. The group finds itself evolving from an informal collection of volunteers to a structured body more able to meet the challenges of maintaining a working orchard. More formality has been introduced with the aim of accepting greater responsibility and to this end the group have settled upon a legal agreement with the Meadows Society who are the owners of the land.

On the agenda for the autumn will be a members' night which will be an evening designed to reward those members of the community who chose to become "Friends of the Orchard" by offering them free cider samples from the pressing of 2015. The event will be at Stoneleigh Village Hall on the evening of Saturday 24<sup>th</sup> September from 8pm to 10pm. Please do come along.

This year sees the trees straining under the weight of the fruit and once again promising of a bumper harvest! The harvest will start from the third week in September and will continue throughout October. For those members of the community interested in the process of taking apples from a harvest to the press then we will be holding apple pressings during the weekends of October during in which members of the community will be welcome to attend and participate.

Finally, we intend to run our popular **Orchard Quiz** on the evening of Saturday October 22<sup>nd</sup> at Stoneleigh Village Club.

An orchard subscription for 2016 of £10 can be made to Pete Freeman as Chairman or to Richard Hancox as Treasurer. Cheques should be made payable to Stoneleigh Village Community Orchard, or you can become a long term friend and set up a direct debit.
