Ducklings take their first swim in the garden pond

APRIL 2017

HOMeward BOUND!

That's what they called the film made in the '90s of Sheila Burnford's book *"The Incredible Journey"*. It's a story of three pets who travel many miles across the Canadian wilderness to find their owners and tells of their adventures and dangers along the way, of their growing courage and loyalty, and how being together really pulled them through some hairy experiences.

Stoneleigh church has been on an incredible journey over the last nine months. We haven't gone many miles as we have used the Hall and Club for most of our services. But we have covered a lot of ground in learning to be together, in successfully delivering an enormous project through sheer hard work and dogged determination and in deepening our understanding of what it means to be church - the people of God - in our community. Although we are returning to the same physical space of the church building we come home a different people with new experiences to draw on, and a perspective gained on the resource of our building, which has been so magnificently restored and enhanced for community use.

So let's celebrate!

We are very pleased and proud of all that has been achieved in the roof and stonework on our church building and in delivering the community development plan. We are grateful to the many people who have made this possible, through their expertise and skills, generosity and voluntary hours, and in ongoing support.

We very much hope you will join us and others to celebrate our homecoming to the church building, to admire what has been preserved from our heritage for generations to come, and see how we are adapting to reach out into the future.

... to join us on **Sunday 21st May 2017**
for a special service at **11am**.

The celebrations will continue over lunch and into the afternoon. Part of our successful Heritage Lottery Bid had to include a budget for our homecoming celebrations, and therefore we are pleased to invite you to enjoy the Pig Roast and Stoneleigh Orchard Cider served from 12:30 in the marquees in the Meadows.

In the afternoon there will be a programme of short recitals running in the church:

From noon following the service, Stoneleigh Bellringers

12:30 Stoneleigh Male Voice Choir

13:30 Stoneleigh Adult and Junior Handbells

14:00 Stoneleigh Ladies' Choir

15:00 Our Organist, Ron Binnie

We would like everyone who wants to help us celebrate to feel welcome to come so there are no tickets or invitation cards being produced. However, it would of course help our catering if you would indicate if you are hoping to come by replying to jane0891@yahoo.com

Looking forward to seeing you there!
God bless

Dame Alice Leigh's Almshouse
The Green, Stoneleigh, Warwickshire. CV8 3DP
(Charity Ref 215675)

RESIDENTIAL HOUSING VACANCY

The Dame Alice Leigh's Almshouse is a Charity providing housing accommodation in ten sandstone cottages in the centre of Stoneleigh, a quiet rural village in Warwickshire.

A residence in this 16th century Almshouse has become available.

On the ground floor of each home there is a hall, leading to a sitting room with kitchen. A door to the utility room leads through to a cloakroom with washbasin and toilet. A dog-leg staircase from the hall leads to the first floor where there is a bedroom and shower room with washbasin and toilet.

Outside there is a small private patio connected to large communal gardens where there is a useful storage building with dedicated space for each resident.

Cottages are equipped with cooker, fridge & washing machine, phone line, emergency assistance-call unit, carpets, electric storage heaters, smoke & heat detectors, hot water immersion heater, and TV point. A communal digital TV aerial and mast is also provided.

The Dame Alice Leigh Charity repairs and maintains the fabric and services to the building, as well as the outbuildings and communal gardens.

Applicants must be needy, of retirement age, capable of independent living and have a genuine need of Almshouse housing.

Preference is given to residents who live in or have connections with the parish of Stoneleigh. However, Trustees welcome applications from other qualifying persons.

Please contact Michael Wareham, Clerk to the Trustees, for further information and an application form.

PUBLIC NOTICE

STONELEIGH VILLAGE HALL AND PLAYING FIELDS CHARITY (702842)

ANNUAL GENERAL MEETING

The Annual General Meeting of the Stoneleigh Village Hall and Playing Fields Charity is to be held on Monday 24th April 2017 at 8pm at Stoneleigh Village Hall, Birmingham Road, Stoneleigh.

All inhabitants of the parish of Stoneleigh who are eighteen years of age and upwards are entitled to attend and vote at the Annual General Meeting.

Elections will be held at the meeting to elect candidates for the elected member positions. The successful candidates shall hold office until the end of the third annual general meeting following their election.

There are two elected positions vacant this year. We would welcome candidates for these positions. Also any village organisation that uses the hall regularly can send a representative to the committee.

If you would like to apply for one of the above positions please contact:

STONELEIGH HISTORY SOCIETY

We are busy preparing this year's exhibition, which will form the basis for a comprehensive history of the church. This will open in May in the Leigh Chapel to coincide with the church's events marking the completion of the restoration.

February's meeting was extremely well attended and the audience was impressed by the breadth of Peter Walters' knowledge of the history of Coventry. You may receive this edition in time to think about coming along to our March meeting – you will be made very welcome. Our subject will be the intriguingly-titled "Illicit and Clandestine Marriages", given by Professor Rebecca Probert of the University of Warwick. The meeting will be at Stoneleigh Village Hall at 7.30pm on Tuesday March 28th.

On April 25th we shall have a triple-bill: a short review of the church's restoration work, the story of a Stoneleigh schoolgirl's sampler from 1817, and a slide-show of Stare Bridge through the seasons - something for everyone!

YOUR CHURCH NEEDS YOU!

Stoneleigh church is due to reopen after months of restoration work. We would like to keep it open every day but we need volunteers to unlock (10am) and lock (4pm) the church. If you think you would be able to help us, please contact the church administrator:

HS2 UPDATE

The Royal Assent has now been given so Phase One HS2 construction will begin this year. This will not be a straightforward process as planning permission now has to be obtained from each of the relevant local councils! Myriad issues still need to be resolved. For example, our local press has already reported that land in Dalehouse Lane will have to be accessed to undertake 'vegetation and environmental mitigation works', including replacement tree planting and creating new habitats for displaced wildlife.

Media attention has not waned and the numerous shortcomings and lack of 'joined up thinking' of the project continue to be highlighted.

Thanks to intensive lobbying by HS2AA a last minute concession was given regarding compensation/house purchase and 'effect on retirement plans' is an additional circumstance which HS2 Ltd. will now consider.

On 24th March, representatives from StAG and other local action groups met Jeremy Wright MP to discuss next steps regarding construction and the building process. He promised to take steps to ensure much more effective contact with HS2 Ltd and the contractors for our area and agreed to meet again on 31st March to report back; Anthony Bianco and Martin Smith will attend this meeting.

As reported in the last edition of the News, projects are being considered under the Community Benefit Fund and these will be submitted to HS2 Ltd. in due course. Our local HS2 Local Community Engagement Officer, Susan Bridges, will attend the Parish Council meeting on 13th April at 7 pm in Stoneleigh Village Hall to answer residents' questions about the project and its impact on this area. This meeting will provide an invaluable opportunity to voice our concerns and to find out about the proposed timescale for construction work.

STONELEIGH MALE VOICE CHOIR

Kenilworth Lions and Stoneleigh Male Voice Choir joined forces recently to pay for new equipment at Myton Hospice in Warwick. Their donation of £1,035 will pay for an additional syringe driver, reducing the hospice's need to move equipment between its Coventry and Warwick sites.

DR WHO IN STONELEIGH!!

This year's S.M.V.C. show was 'A Musical Time Machine' which was performed from the 9th -12th March in the Village Hall. Over 270 people attended on the 4 nights.

The Show was split into two halves. The 1st half saw Dr Who visiting different time locations from a musical soiree in Victorian times up to the 1970s. Meeting on the way: people from the 2nd World War; The Pirates of Penzance; Morris Dancers; Welsh Rugby supporters; sand dancers; hippies; the ladies of the musical 'Cabaret' singing and performing the title song (who can EVER forget the costumes?!); and Victoria Wood. The singing, dancing and costumes were once again 1st class.

The second half consisted of the choir singing a wide variety of songs and finishing with 'My Way'.

A big thank you to Alan Biddle, who was the inspiration behind the show, and to all the other people who helped to make the show such a great success. Special thanks to Jonathan Howes, who took over the role of 'The Traveller' at short notice. The delicious food was provided by Top Nosh of Leamington Spa, and we are grateful to Pedley's Leisure for lending us a caravan (our extra changing room).

From an exhausted but happy choir, thank you to all our supporters and friends. We look forward to welcoming you again soon at one of our concerts.

A jam making competition was held at the beginning of March. Members were invited to submit two jars of Seville orange marmalade for judging on the morning of Monday 6th March. The result was announced at the meeting in the evening. The winner was Marie Nock and the runners up were Judy Hadfield and Joan Coulson. All the marmalade entered in the competition was sold at the WI meeting that evening and at the village lunch, for WI funds.

The speaker at the meeting was Alan Rogers, a former police officer in Warwickshire. The title of his talk was "A Policeman's Lot". He started by talking about life as a police cadet. It was not easy as the cadets were subjected to teasing and practical jokes by officers, one of which involved being provided with a uniform many sizes too large. However, he enjoyed the sport and outdoor activities which were part of the training. For most of his career after training, he was a "traffic cop". He entertained us with stories of high-speed car chases which had probably become more dramatic with each retelling.

The Craft group had an applique workshop on 13th March and the Book Club met on 21st March to discuss “Elephant Moon” and “Shades of Evil”.

The next village lunch will be on Tuesday 4th April, please contact Liz Sykes on 02476 418301 if you wish to reserve a place. The menu will be roast pork and chocolate cake. The next coffee morning will be on 18th April in the village club.

On Monday 3rd of April the WI is holding an Open Evening in the village hall and invites anyone interested in the WI to come and join us from 7.30pm onwards.

ACORN CLOSE, STONELEIGH

Large Steel Containers placed by the garages

A resident of Acorn Close got in touch with the Parish Council on 14th March. They were concerned that two large steel containers had been placed alongside the garages in Acorn Close, no one in the close had any idea what they were for, who had placed them or how long they were staying.

As the garages are rented from Warwick District Council and as the land owner we rang them first.

The housing department have let a contract to decorate the outside of council properties around this area (not just Stoneleigh but surrounding villages as well). Unfortunately this was the only land they had to place a store room for materials and a mess room and toilet facilities for the staff carrying out the work, all required by current Health and Safety Regulations.

Ian Williams is the company carrying out the work and they will be using the containers on weekdays until the middle of April.

They have stated they will not block in or cause a nuisance to the garage users, the generator they use will only be on for a short while at the start of the day and then again before they all go home in the evening. If it is causing a problem we suggest a call to the housing department to let them know.

At the time of writing this article the housing department has agreed to write to all residents of Hall Close and Acorn Close explaining what is happening and why, and apologising for not having informed residents sooner.

Thank you.

Richard Hancox

On behalf of the Parish Council.

STONELEIGH CHURCH BUILDING NEWS

As I anticipated last month all work on site was completed on 10th March on which day our Architects issued their Practical Completion Certificate to the Contractors, Croft Building and Construction Ltd. The original 21 week contract had been extended by 7 weeks to enable further essential masonry work and internal decoration work not covered by our Grant from Heritage Lottery Fund to be carried out. Monies raised through the Appeal were utilised for this purpose.

Under the contract there is a maintenance period of 12 months ending on 10th March 2018 when the Architects will inspect the work for any defects which have to be made good at the Contractor's expense before a final balance of 2.5% of the Contract fee is released.

As a result of an inspection of the roof, rainwater goods, stonework and other key elements of construction made by Architects for Historic England in August 2015, the Church was placed on its Historic at Risk Register since it was felt that at least part of the historic fabric of the building was at risk of failure or loss. The building work which commenced 7 months ago has now concluded. Since HLF would only offer a grant for "structural repairs urgently required within a two year period" I believe we have complied because the works comprised in the Contract were briefly:- "To provide a new copper roof to the nave and associated new ceiling below, replacement of parapet copings and urgent stone repair/ conservation/ replacement to all elevations and the Tower, Nave, South Aisle, Vestry and Leigh Chapel whilst generally putting the building into a watertight and structurally sound condition to retain the character, ambience and historic integrity of the building".

Throughout the contract I have kept daily contact with the workforce and our Architects. This, coupled with the close inspection I have been afforded at all levels, makes me realise that, somewhat like the Forth Bridge, there is always work to be done.

I highlighted the problems with the South Aisle ceiling last month but the Contractor's main concern has been the stonework of the Leigh Chapel which is deteriorating more quickly than the main building.

However, for the moment, the work of the PCC's Maintenance Committee can return to more mundane matters.

STONELEIGH COMMUNITY ORCHARD UPDATE

The early spring months can be considered a time in which the structure of the orchard and trees comes into focus. Decisions can be made based on the experiences of the previous year as to whether to aim for growth or maximizing a crop in the coming seasons. If one aims for a large crop on young trees then, without a lot of crop thinning, there is the potential for damage to occur as the branches strain under the weight of fruit, which from experience is particularly acute during late season storms. Indeed last summer the group witnessed several trees lying horizontal, which required some ingenuity to recover them back to the vertical. Needless to say this year will be deliberately aimed at pruning for structure at the expense of crop.

The structure of the Orchard group is also coming under focus with its transition from an informal group of volunteers to a Community Interest Company, presenting many challenges to overcome. This is a piece of work that can presently be considered as on going.

The focus of the project has also shifted from tree planting to the processing of apples into cider, which requires a different set of skills and disciplines and needs to be approached in a considered way. Shortly the cider of 2016, presently residing in fermentation tanks, will be racked off into bags then pasteurized, processed, and packaged for consumption. This year we may also consider the use of barrels owing to the volumes involved. We hope to have some available for the Orchard Quiz occurring on Saturday 22nd April at 7:30pm at Stoneleigh Village Club.

Finally, there will be a return to observe if a small area of the orchard cultivated with a wild flower called yellow rattle has been successful in making a return from the previous years planting. This, as ever, is one of the most unpredictable aspects of the project!

The Orchard friends subscriptions have now come up for renewal since the start of the year and renewals of £10 can be made to Pete Freeman as Chairman or to Richard Hancox as Treasurer. Cheques should be made payable to Stoneleigh Village Community Orchard; however, why not become a long term friend and set up a direct debit.

STONELEIGH CHURCH, SPRING WORKING PARTY

By now many readers will have seen the completion of the works by contractors repairing stonework and undertaking roof works to the church building. We therefore hope to make an extra special effort on **Saturday 22nd April, from 9.30 am to 12.30 pm**, to cut trim and tidy the grounds. The church and grounds will then look better than they have for many a year. Please come along to help, whether you be a regular churchgoer, or just attend for special events. We all share and enjoy this historic building and the peaceful grounds, which are now a real asset to all.

The church will be open for use of the toilet and kitchen facilities, and (should the weather be inclement), there are probably several inside jobs e.g. moving furniture and tidying up after contractors where help would be appreciated.

Refreshments will be provided. If you have your own petrol hedge cutter, lawn edger, secateurs or other favourite tool please bring them along. To help with catering or any queries, please let me know if you can be there, [phone 02476 411658], or leave a message. Thanks.
