#### Film Night

Friday 11<sup>th</sup> May in Stoneleigh Village Hall 6.45 pm for 7 pm

This month we are showing:

### 'Paddington 2'

Paddington is happily settled with the Brown family in Windsor Gardens, where he has become a popular member of the community, spreading joy and marmalade wherever he goes. While searching for the perfect present for his beloved Aunt Lucy's 100<sup>th</sup> birthday, Paddington spots a unique popup book in Mr. Gruber's antique shop, and embarks upon a series of odd jobs to buy it. But when the book is stolen, it's up to Paddington and the Browns to unmask the thief.

Actors: Brendan Gleeson, Hugh Grant, Jim Broadbent, Julie Walters, Peter Capaldi

Make yourself feel at home, bring your own wine, cushions or a comfy chair. Coffee and cake in the interval.

Tickets: £3.00, to cover refreshments and room hire. To reserve a place please call Jane: 01926 858315

#### A Message from the Treasurer

Bill Crofts

I have continued to receive a number of cheques and BACS payments in the form of voluntary subscriptions to Stoneleigh and Ashow News. Thank you very much indeed for the generosity shown by all those who have responded to our appeal, it will make such a difference in enabling us to keep our monthly magazine in circulation.

Would you please note the following couple of points;

- 1. I hope you will understand that I have not sent receipts to everyone who has been kind enough to make a donation. Apart from the time this would take, it would also use up valuable resources in the form of envelopes and postage, and undo a lot of the good you have done by donating! I have responded to those who have provided an email address and provided confirmation of receipt via email.
- 2. I am having considerable administrative and organisational difficulties with the bank where our S&A News account is currently held. As a result, I am currently in the process of moving our account to another bank. If you have set up a standing order to pay a voluntary subscription to S&A News, please do not be concerned. I will provide the new bank details as soon as they are available, and the current account will remain in operation for some time in order to allow time for people to make the switch.

If anyone else wishes to help keep our community magazine alive, please send a cheque to:

Dr W E Crofts, North Lodge, Coventry Road, Stoneleigh, CV8 3DT.

A typical donation to cover our costs is about £12.00 per year. Thanks and best wishes.

#### **Parking in Ashow**

Inconsiderate parking has been raised as an issue in Ashow. There is limited suitable on-street parking available in the village. Where viable we would like to request that residents with off-road parking park their vehicle(s) off the highway to help alleviate the issue of inconsiderate parking.

- To provide visibility for other road users, you should not park within 10 metres of a junction.
- To allow persons to utilise the footpaths without having to enter the road unnecessarily, you must not obstruct the footpaths and/or dropped kerbs.
- Allow room for traffic flow/emergency vehicles.

If vehicle(s) are seen to be causing an unnecessary obstruction, they should be reported and fines may be issued.

Should you encounter a vehicle which you deem to be causing an obstruction, please report the issue at the time to Warwickshire Police on 101.

Please provide details of the obstruction e.g. time/date, location, type of obstruction, vehicle make/model/colour and registration.

#### **HS2 UPDATE**

Margaret Wallis, on behalf of the Stoneleigh Action Group (against HS2)

After the flurry of activity earlier in the year, there's little to report this time. However, traditional media and specialist publications continue to report dissatisfaction with the project. Scarcely surprisingly, construction and businesses likely to benefit from it remain enthusiastic, although concerns about costs are evident even amongst this group.

#### **MESSAGE FROM REVEREND NIKKI**

Revd. Nikki Moon

Hello and thank you to those who have made my first few weeks so welcoming. It is a privilege and a pleasure to be able to serve the communities of Stoneleigh and Ashow over the next twelve months. If you wish to know more about me and how I got to be a parish priest then please pop into either church and pick up the letter that gives some insight into my journey.

Over the coming year, I hope to get to know you and the communities in which you live and serve better and I hope we will be able to serve together in many ways. I have been placed in Ashow and Stoneleigh for a year to help the church communities create a joint parish profile which captures not only the history of these two beautiful villages but also captures the present issues the villages face and looks forward with hope to the future. This profile will then be used to recruit a more permanent vicar, who will bring with them the gifts and skills to help the communities move forward into that uncertain yet hopeful future.

In order to be able to fulfil this remit it is important that I hear the views and concerns of all aspects of the community and so please do get in touch or talk to me at the village coffee morning and lunch, which I hope to attend most months. I can be contacted between Sunday and Wednesday using the following:

Tel: 07891 012660

email: njmoon@outlook.com

#### **Scam Alert**

#### "Immediate arrest for unpaid taxes"!

Warwickshire residents are again receiving threatening phone calls from fraudsters falsely claiming to be HMRC. The bogus callers claim the resident has unpaid taxes and

a warrant has been issued for their arrest within 30 minutes. Some residents are even told that the police are on their way! The fraudsters then either try and take payment down the phone for the bogus tax bill (often by asking for payment using iTunes gift cards) or send someone to collect the money in cash.

The fraudsters often use telephone numbers beginning 0203. These give the impression that the callers are based in London (area code 020). In reality the fraudsters use virtual telephone numbers that could be linked to telephones anywhere in the world. REMEMBER: receiving a phone call from someone with what appears to be a local prefix, does not necessarily mean they are phoning from that town or city.

NEVER provide any information, personal or financial to cold callers, whatever they may claim. If you believe a phone call is genuine, tell the caller that you will phone back on a publicly listed telephone number (in the phone book or on their website). Do not phone back on a number provided by the caller and always leave a few minutes between calls to ensure the phone line is clear and the caller has phoned off. Use another phone if possible.

Lastly, if you think the caller is a fraudster, Google their telephone number. You may find that others have already posted information on the Internet about them.

#### **WI Report**

Rachel Gill

Stoneleigh WI is celebrating its 100<sup>th</sup> birthday this month. There was a photograph of members on the cover of Corunna News, the Warwickshire Federation's magazine.

Inside the magazine was a full page article with photographs highlighting events from each decade. These included the inaugural meeting, which took place in Lord Leigh's Reading Room (now the village club). Lord Leigh later gave the village land on which to build a village hall which was built by local men, many of whom had recently returned from the war. The new hall became the venue for WI meetings. Membership was open to girls and women from the age of 15 years. There were concert parties, talks, fetes and garden parties.

In 1940 the Victory Hall was chosen as a possible refuge for families made homeless by bombing. In a letter to the WI it was suggested that they might provide personnel to run the refuge. Unfortunately we do not know whether the refuge was ever required.

In 1965 a village scrap book was produced which includes information about a variety of village activities. At the WI meeting on 1<sup>st</sup> February the speaker was a rep from "House Coty", who spoke about and demonstrated the art of makeup. There was also a ballot for a ticket to the Royal Garden Party, which was won by the President Mrs Ward. Ten members volunteered to be stewards at the Royal Show.

In 1981 members of Stoneleigh recorded the details of the 17<sup>th</sup> - 18<sup>th</sup> century tombstones in the churchyard of St Mary the Virgin, Stoneleigh. Between April 1987 and March 1988 the members of the WI compiled a Stoneleigh diary in which are recorded a variety of village events including a wedding, a christening, a youth club outing to Skegness and the Annual Produce Show. Each month is accompanied by beautiful hand painted picture of a bird, animal or flower.

Between 1990 and 2011 the Stoneleigh Stitchers, including members of the WI, made pew cushions and kneelers for the church. Their intricate work on a striking blue background features village activities, including the WI and village landmarks such as the almshouses, the smithy and the bridge over the river.

During the 1990s the WI began to serve a monthly lunch in the village hall and this is open to anyone having connections with the village. In 1991 a craft group was formed. Members work on projects chosen by the group. From time to time there are demonstrations of new and unusual techniques. This has attracted new members to our WI.

In 2008 a celebration was held to mark the WI's 90<sup>th</sup> birthday. Seven members, including the President Liz Sykes, dressed in Edwardian costume, took the audience through a brief resume of events during those 90 years. Members were invited to join the performers in singing some of the songs of the time.

A number of centenary events have been planned, including a celebration party, a mystery tour on a vintage bus, a visit to a vineyard with lunch and a trip to the Royal Mint. To conclude the year there will be a centenary dinner in March 2019.

At the meeting on Monday 5<sup>th</sup> March we were entertained by Neville Cooper and his South American Music. The Annual Dinner was held at the Coventry Golf Club and was attended by 40 members, who enjoyed good food and good company.

The next village lunch will be on Tuesday 3<sup>rd</sup> April in the Village Hall. If you wish to reserve a place, please ring Liz Sykes on 02476418301.

The next coffee morning will be on 17<sup>th</sup> April in the Village Club.

#### **Stoneleigh Community Orchard Update**

Pete Freeman & Tom Marshall

The Orchard, although on the cusp of springing to life, is like all of nature this year in being delayed by the extended period of cold and wintry weather and so there is little to update you on other than the fact that our application to become a CIC is currently with Companies House for consideration.

This article will concentrate on a piece of work initiated by long-term orchard supporter Tom Marshall of Motslow Cottage who writes:

"At the end of February a mixed woodland of native trees and shrubs was planted on Motslow Hill.

The tree planting took place on 28th February to 2nd March, the coldest days of 2018, with the hill covered in snow. Ironically the planting had originally been scheduled for the end of November but was postponed because of snow and cold weather at that time. However the tree-planting contractors were undeterred. In total, 1200 trees and 400 shrubs were planted with species including oak, hornbeam, wild cherry, silver birch, field maple and alder. The tree planting covers about half the field and the aim is to extend the existing woodland next to the river Sowe and create a larger habitat for wildlife. Because the new trees are behind the existing woodland, most of them will not be visible from Stoneleigh meadows.

The tree planting was organised by The Woodland Trust, who viewed the site and agreed to support the project. They were particularly keen because the planting was next to existing woodland. They took on all of the organisation, ordering and arranging delivery of the trees and hiring a contractor. It made the whole process a lot simpler! They also paid about half the cost of the planting.

Right now the tree planting is not much to look at: more like a field of tree-tubes and stakes than a native forest. It will be a few years before there is much sign of a woodland. But this is for the future, not for the present. Many of us would like to leave the environment in a better state than we found it. Hopefully, this is one small contribution."

Orchard friends subscriptions and yearly renewals for 2018 still only cost £10 and can be made to Pete Freeman as Chairman or to Richard Hancox as Treasurer. Cheques should be made payable to Stoneleigh Village Community Orchard, however why not become a long term friend and set up a direct debit?

#### **PARISH COUNCIL NOTES**

Sarah Windridge

#### **Meetings**

The April Ordinary Council meeting will be held at Stoneleigh Village Hall on Thursday 12<sup>th</sup> April. The summary of income and expenditure for the year ending 31<sup>st</sup> March 2018 will be reviewed.

The May Ordinary Council meeting will be held at Stoneleigh Village Hall on Thursday 10<sup>th</sup> May at 7:30pm Mr Adrian Hart from Warwickshire County Council and Atkins Traffic Management will present the final report on the Stoneleigh Traffic Management Study.

The Annual Village Meeting for Stoneleigh Village will be held at Stoneleigh Village Hall on Thursday 19<sup>th</sup> April at 7pm This is a statutory meeting at which members of the Parish Council are required to report back to the electorate on their work over the past twelve months, and for the electorate to discuss their hopes and/or concerns for the Village.

Members of the public are invited to attend all meetings. The agenda, including upcoming planning applications, can be found on the Parish Council website at http://stoneleighashowparishcouncil.btck.co.uk/

#### **Parish Council News**

At the meeting on 8<sup>th</sup> March, the Parish Council heard an update from Mr Adrian Hart and Ms Lisa Jones from Warwickshire County Council regarding the Kenilworth to Leamington cycle route. The County Council are building the route one stage at a time, hoping to connect Kenilworth to Leamington, and even possibly to Ashow and down to the Stoneleigh crossroads. Full details of the plans can be seen in the minutes on the Parish Council website.

#### HS2

Cllr Bianco is working tirelessly on the Council's behalf regarding HS2, and has attended several meetings and consultations recently in order to find out more about the latest developments. The Parish Council will invite HS2 Ltd, including works contractors, to a meeting in the autumn for an update.

#### **Neighbourhood Plan**

The Parish Council would like to create a Neighbourhood Plan for Stoneleigh and Ashow, and will be taking the first steps to achieve this in 2018.

A Neighbourhood Plan is a local initiative which gives communities the power to prepare a planning document that includes a shared vision for their neighbourhood.

These plans can set out policies on the development and use of land in the parish and have formal weight in determining planning applications.

This is a chance for the residents of Stoneleigh and Ashow to have their say and make a real impact on planning decisions in the parish. It will also increase the amount of money that the community will receive from any development in the area.

£4000 has been set aside to help create the plan, and if anyone would like to help the Parish Council with this or feels they can contribute some skills or local knowledge, please contact us at

stoneleighashowparishcouncil@gmail.com

We would love to hear from you.

#### Parish Council email distribution list

The Parish Council would like to create an email distribution list for the Parish. This will be a fantastic way to stay well informed about local news, planning issues, HS2 and local events.

If you would like to be included on the email list and receive frequent updates and news about your local area, please email the clerk, Sarah Windridge on:

stoneleighashowparishcouncil@gmail.com

#### **ELVIS SEEN IN STONELEIGH!**

Rod Owen

"The King" has been appearing all week at Stoneleigh Village Hall in the Stoneleigh Male Voice Choir Annual March Concert 'Fun & Fantasy' together with Tom Jones, Tony Bennett, Petula Clark, and Diana Ross & The Supremes, thanks to the ingenious SMVC Time Machine.

The show, which has been a sell out on all nights, ran from Thursday 15 to Sunday 18 March 2018. It was opened by the Choir ensemble singing a great selection of songs including One Direction's (yes! One Direction!!) 'History' and finishing off the first half with a 'Selection from the Sixties' with great audience participation.

During the interval, the audience enjoyed a delicious two course meal superbly provided by Top Nosh of Leamington.

The second half was set in the 'local' on a free and easy night, and introduced several well-known numbers (which the audience enjoyed joining in with) and climaxed in a Las Vegas style Grand Finale. From the reactions and comments from the audience they were indeed great nights of fun and fantasy!

The Choir is grateful for all the help received with its production, especially from Susie Davies (guest Producer), her able assistant Nigel, Alan Biddle (Musical Director), Steve Watkins (Lighting & Sound), Penny Lauridsen (Stage Manager), Joe Ball for his help, Jenny & Liz of Top Nosh and the Chair & Committee of Stoneleigh Village Hall for the use of the premises. We would particularly like to thank all those that supported the shows and helped us raise even more money for our local charities.

#### **Stoneleigh History Society**

Sheila Woolf

By the time the News goes to print, we shall have held our AGM, followed by a talk from Professor Beat Kumin of Warwick University. In April we shall not have our regular meeting, but have booked to visit Merevale Hall, home of the Dugdale family, near Atherstone.

We have many plans for the near future: Philip Gill's book about past residents of the almshouses will soon be published, as will a book about the Stoneleigh Stitchers, who produced the magnificent cushions in the church. Another Stoneleigh calendar- for 2019 - is in preparation, this time showcasing lovely pictures by the late Will Blagburn. It will be on sale in late summer.

Although our 2017 exhibition about the church's history is remaining in the Leigh Chapel this year, we shall be complementing it with a display about the Stoneleigh men who gave their lives in the Great War. This will stay in situ until after the final centenary commemorations, marking the end of the war, on 11 November 1918. Details of the men's lives and war service can now be seen on our website <a href="www.stoneleighhistorysociety.org.uk">www.stoneleighhistorysociety.org.uk</a> by going to "Burials Database".

There are plans afoot, also, for an Autumn event to mark this important anniversary, with music from the Stoneleigh Male Voice Choir as well as readings. Watch this space!
