Stoneleigh & Ashow News 2022

We're back! (Or hope to be!)

We believe that there is sufficient interest for S&A News to return to a printed/delivered version, although an online publication will be retained. We are considering a trial period of six to twelve months, with restricted delivery to the immediate vicinity of the two villages.

However, in order to make this work, we need to know that we have your support. Please click on the link below to access a very brief questionnaire regarding donations and distribution.

<https://forms.gle/NdfvdjmXgCVZB1Po8>

We're mindful that some villagers do not have internet access so, if you know of someone who does not have a PC etc., please offer to complete the questionnaire for them.

Please submit responses no later than Tuesday 1st March if possible.

Many thanks for your feedback and support.

The Stoneleigh & Ashow News Team

“Thank You”

Despite me failing to keep track of the months, and not properly publicising my Christmas fund raising for flying the flag, I am grateful to all those who, nonetheless, remembered and made generous contributions.

I was pleased to be able to send £540 to Myton Hospice where it was received with many thanks.

Thank you to all contributors and I wish you all a Happy and Healthy New Year.

HS2 UPDATE

There has been a flurry of activity about HS2 in the media recently, with great excitement about the archaeological find of a Roman settlement in Oxfordshire/Northamptonshire.

Locally, we continue to be affected by roadworks, seemingly everywhere! Councillor Redford has been alerted to the disintegration of Crewe Lane and the HS2-crossing section of Dalehouse Lane in particular. Despite local objections, the likely approval of the erection of a huge gigafactory on the Coventry Airport site heralds further traffic and other disruptions to our area for the foreseeable future.

The following section is Anthony Bianco's summary of action take to date about noise and associated issues in our area.

The ambient noise from the A46 has been well documented since it was built in the 1970s. The environmental studies by the Parish Council (PC) and others at the time resulted in sound deadening expensive tarmac to be laid in 1997. This, plus a maturing tree line on A46 & B4115, helped shelter Stoneleigh, Ashow & Abbey (SAA) from noise. This good work has been destroyed.

During the last five years, HS2 Ltd. & its contractors have continued deforestation in our area, in many cases involving expensive, unplanned and often unnecessary works

The local PC and Stop HS2 Team (Anthony Bianco and Martin Smith) have raised concerns at every level up to the House of Lords and with Jeremy Wright MP(JW) .

The case to be examined by HS2 Ltd. is now the impact of both noise and vibration from the works close to the A46 east/west and the (eventual) planned railway line north/south in the SAA area.

In February 2021 and throughout the year more tree removal took place in spite of vigorous requests from some forty residents to HS2 Ltd. and Warwickshire County Council (WCC) and Warwick District Council (WDC). AB raised the issue three times at JW's three-monthly forums. The WCC initial denial gave way to a written request to HS2 Ltd. from WCC and WDC Councillors in July 2021 in support of action.

Eventually, in November 2021, a five minute presentation and follow up note by Anthony Bianco on behalf of the PC to the visiting Transport Minister, Adam Stevenson MP, JW and HS2 Ltd., was accepted. This request was for expert technical sound and vibration measurements to be taken, together with a record of carbon emissions, followed by independent professional analysis of the results of this exercise.

The aim is for HS2 Ltd. to authorise and invest in sound and visual impact barriers throughout the SAA area should the analysis results merit action. (N.B. as is the case in many European high speed railway systems).

Following further pressure from JW to HS2 Ltd. in November 2021, at the next JW forum, on 21 January 2022, the contractors, BBV, were deputed to present their initial action plan to the PC, allowing time for questions.

The battle continues!

Woman in Gold

**Friday March 4th 2022 in
Stoneleigh Village Hall
Meet 6.45pm for a
7pm showing**

Sixty years after fleeing Vienna, Maria Altmann (**Helen Mirren**), an elderly Jewish woman, attempts to reclaim family possessions that were seized by the Nazis. Among them is a famous portrait of Maria's beloved Aunt Adele: Gustave Klimt's "Portrait of Adele Bloch-Bauer I." With the help of young lawyer Randy Schoenberg (**Ryan Reynolds**), Maria embarks upon a lengthy legal battle to recover this painting and several others, but it will not be easy, for Austria considers them national treasures.

To try to be more Covid secure we will space tables into groups and request that you bring a cup and plate.

Coffee and pastries will still be served in the interval.

Ticket prices remain the same, £3.00, to cover refreshments and room hire.

To reserve a place call Jane on 01926 858315 by
Wednesday March 2nd.

December went far too quickly with lots of activities. We began with twenty five members having a Christmas lunch at Stoneleigh Deer Park. This was enjoyed by all – particularly the good company.

On December 3rd we had a class for wreath making and Christmas table decorations. We learnt new skills and were spoilt with home made soup and mulled wine.

Our monthly meeting on the 6th provided lively entertainment with Christmas goodies and mulled wine.

The craft and produce fair on the 10th was well attended with many items on sale, including toys, gifts, art work, jewellery and cakes. Tea, coffee and refreshments were also on sale.

The craft group had a Christmas lunch at The Oak in Baginton and have also produced Christmas cards for their families. Unfortunately, there have been no craft activities during January due to the latest difficulties with the pandemic, but we do plan to restart in February with working on decorating the postbox in Stoneleigh Village to celebrate the Queen's Platinum Jubilee, using the mediums of crochet, sewing and knitting.

The art group will continue to meet on Mondays but will start at 11.30. Members created wonderful Christmas cards and others finished individual pieces intended as gifts for friends and family. Speakers and demonstrations are planned for the future.

The next members meeting is planned to be at Stoneleigh Village Hall on Monday 7th February, 13.30 for 14:00 start.
We look forward to welcoming you.

Stoneleigh Village Club Update

We hope you all enjoyed your Christmas and New Year festivities.

The Club committee and helpers put up the Christmas decorations in early December. Our Christmas tree this year was generously provided by Club member Martin Cooper and formed the focal point of the Club's festive look.

The official switching on of the Christmas lights coincided with the launching of the Christmas lottery draw. Thank you to all those that purchased numbers.

On Sunday 19th December the Club hosted the gathering after the Church's Carol Service, serving mulled wine and Christmas cake. It was lovely to see a lot of villagers enjoy the club ambiance. A big thanks to Club member "Lino" for preparing and serving the mulled wine and Jane from the Church for her help. The cake was delicious!

The Club held a very successful children's Christmas party. Twenty-five children enjoyed a fun packed afternoon of party games and party food, topped off by a visit from Santa. Once again, a big thank you to the committee and helpers who prepared the party food, blew up balloons and sorted out the games.

Christmas day lunchtime saw the Club open for a couple of hours for members and family wanting a pre-dinner aperitif. The atmosphere was fantastic. Sadly, the Coventry Mummers cancelled the Boxing Day performances of their Stoneleigh Christmas play. They are hoping to re-schedule for Easter this year.

On Tuesday 27th December the Club hosted an event for Marjorie Davies in memory of her husband Rod. It was very busy with family and club members celebrating the life of "Rodders".

All in all, Christmas at the Club was a busy time and a stark contrast to last year when we weren't open at all. A big thank you as always to Jim, our club steward, and his wife Karen who ensured the Christmas cheer kept flowing.

Moving into the New Year the Club hosted the Stoneleigh Cider Orchard Wassail event. It was very busy in the Club prior to the procession setting off to the orchard and also on its return, where revellers were served baked potatoes with various fillings. A big thank you to all who helped make this third running of the Wassail the success it was. The picture below shows the procession forming up outside the Club.

Queen's Jubilee Celebration

The Queen's Jubilee celebrations are scheduled Thursday 2nd to Sunday 5th June. The Club committee is in the very early stages of planning a village wide event with initial thoughts of a street party and entertainment on the afternoon and evening of Friday 3rd June, involving all of the societies and clubs that run in Stoneleigh village. More information will be forthcoming.

A triumphant end to celebrating ten years of the Stoneleigh History Society

The “Oscars” night organised to celebrate 10 years of the Society’s existence went off with a bang on 30th November. Members enjoyed a red carpet event in Stoneleigh Village Hall, ending with the presentation of ‘Oscars/aka Unicorns’ (unicorns being the emblem of Stoneleigh) to those members who had had a role in the ‘1000 Years of Stoneleigh History’ Show held in the church on September 25th. There was an excellent turn out and dinner jackets, sequins and smart attire were much in evidence and everyone joined in the fun. We were treated to the premiere of the video of the Show, brilliantly produced by Bill Crofts and now available for general view via YouTube (*key in 1000 years of Stoneleigh History*). In the interval fizz and cake were served and Derek Robinson offered a photographic service to those who wanted evidence of their time on a red carpet.

There were votes of thanks to all who were involved in the Show, but most particularly to Sheila for all that she has done for the SHS during the past 10 years, members’ achievements being illustrated in the slide show which introduced the evening and which highlighted the many events, publications and exhibitions during our first ten years.

The Society’s next meeting will be on Tuesday January 25th via Zoom (all welcome - please contact Sheila on shewoolf@hotmail.co.uk for access to the link). Sheila will be kicking off the year’s programme with:

The Art of the Forgotten, A personal connection to Coventry artists we forgot to remember, 1875-1950.

Judy Oliver MBE

Stoneleigh resident, Judy Oliver, was awarded an MBE for her services to the local magistrate court where she served for many years, rising to become chair of the bench. Judy has also been a volunteer, going into local schools and with the probation service.

Judy received her award from Prince William at Windsor Castle.

Congratulations Judy!

STONELEIGH LADIES CHOIR

This time last year we looked optimistically to a better 2021 with the hope that the choir might resume normal meetings. This has not been the case but we have cheerfully endured all the restrictions in a close bond of friendship.

The year ended with the cancellation of concerts at Walsgrave Hospital, Cannon Park Shopping Centre and the proposed community carol sing-a-long in the village. However, a small group from the choir braved the dizzy heights of the organ loft to take part in the Licensing Service for the Rev. Petrica in Stoneleigh Village Church. The choir sang one of its favourites, 'Deep Peace' by John Rutter, and joined with the congregation and Stoneleigh Male Voice Choir to celebrate and welcome the new Priest in Charge.

A few more members were able to swell the ranks for the Christmas Carol Service. Once more wrapped up warmly in the organ loft, they joined with the congregation to celebrate the season with lots of favourite carols and readings. The choir's solo contribution to the service was 'The Annunciation', learned especially for this event. As always, it was a pleasure to take part in this special service at Christmas.

The choir rounded off the year with its own concert. Although we had to comply with government rules, we managed to enjoy a most entertaining afternoon of favourite carols, songs and in-house entertainment. Who knew we had such talented members?

News from Stoneleigh Church

How lovely it was this year to have our Christmas services back in the Church and with our new Priest in Charge in post. We welcomed Rev. Petrica at his Licensing Service on 29th November. We were already in Advent and soon the Church was ready for Christmas. It was two years since we had been able to fully celebrate in the church and it looked wonderful! Two Christmas trees, one indoors and one outside and a candle-lit path for the Carol Service. The flower arrangers excelled themselves!

Finally, we had our Epiphany services led by Rev. Robert Langton, who has helped us so much during the interregnum. At a joint service we had a thank you presentation for him.

All the services were enhanced by the use of our new projector system.

All have been thanked, but thank you again.

Sadly immediately after Christmas we had the news of the unexpected death of our Administrator's husband. Our prayers and condolences go out to Jackie and her family.

Stoneleigh Community Orchard CIC Update

It has become a tradition for the Orchard to start the year with the “Apple Wassail”. This is held on the Saturday evening that falls nearest to January 17th, a date that corresponds to the twelfth night according to the old Julian calendar. This year it fell on January 15th.

The tradition has its origins in the West Country cider orchards where, villagers congregate to make a cacophony of noise intended to awake the apple trees from their slumbers as well as drive out evil spirits ahead of the growing season. Bread is hung from the branches of trees and cider poured around their roots to encourage a good harvest.

In Stoneleigh we have our own way of celebrating this ancient custom involving an evening parade centred on the Coventry Mummers who gathered behind a Land Rover, courtesy of Adrian Clarke. They then paraded with an assembled crowd from the Village Club down Church Lane to the Orchard gate, where at the newly named “Hammer-Head” arena, they performed their amusing “Ploughmans’ Play”. The crowd being suitably warmed by a mulled cider provided by Mandy Freeman & Elaine James, (Thanks to them) were treated to a spectacular fire performance by “Rhiannon” of Rosetta’s Variety Entertainment before entering the torch lit Orchard to undertake readings and enact ancient rituals at three selected trees followed by a sing-song whilst gathered around a flaming griddle. Finally, the assembly returned to Stoneleigh Village Club for delicious jacket potatoes and drinks provided thanks to Karen & Jimmy Gavin.

The event provided an excellent opportunity to showcase both the Orchard and the Village Club and demonstrated how the two bodies can work successfully together. It also provided a platform for the performing arts that have been so badly affected throughout the Covid pandemic.

I would like to thank Jules Storer for his art work and all those who worked behind the scenes at such short notice as well as the masses who braved the elements to make the evening such a popular and well attended event!

Orchard Friends' subscriptions and yearly renewals for 2022 for will cost £10 and can be made to Pete Freeman as Chairman or to Richard Hancox as Treasurer. Cheques should be made payable to Stoneleigh Village Community Orchard, however why not become a long term, friend and set up a direct debit.

Stoneleigh Male Voice Choir Report.

We have started rehearsing again in the Village Hall despite the pandemic.

The Christmas period was a busy and successful one for the choir. We held a very enjoyable Carol Concert in the Riding Stables at Stoneleigh Abbey .One hundred and twenty people attended and the collection raised £457 for the Coventry Food Bank.

The choir also sang at the Stoneleigh Church Carol Service and our carol 'Come see the beauty of the King' was well-received by the congregation. We would like to thank John Morris, the Church organist for accompanying us so well.

Although we have not been able to hold many concerts these last two years, we have still supported many local charities:

£500 to Love Lillington.

£500 to Name The Guide Dog, Kenilworth Branch.

£250 to the Kenilworth Readers and Support Service.

£100 to the Coventry Food Bank.

£50 to the Kenilworth Food Bank.

The choir will be holding its AGM on Wednesday 16th of February.

We are hoping to organise concerts in the near future.
Watch this space. Please keep safe and healthy.

Philip Jones.

Ashow Church News.

Christmas at Ashow was a very happy time. The Advent and Christmas Carol Services were both well-attended and it was lovely to be able to hold both candlelit services in the church. We are very grateful to Susan Spencer who produced the services and organised the choir who sang at both services and the Leek Wootton bell ringers who took part in the Christmas Carol Service. Thank you also to all those who attended and sang in the choir. We are also grateful to the people who came along on the Saturday morning before Christmas to decorate the poles, the Christmas tree and produced the flower arrangements. In these difficult times, it was uplifting to see so many people participating in the services and helping out. Thank you to Anne and Tony Gregory, Jean and Peter Shrimpton who organised the mulled wine and mince pies in the club after the Advent Carol Service.

Our service on Christmas morning led by Rev. Petrica was a happy and uplifting occasion and we are grateful to Frazer Watts for playing the organ. Christmas truly was memorable.

We are now looking forward to the future under the guidance and leadership of the Rev. Patrica.

God bless,

Kate Jones - Church Warden

PARISH COUNCIL NOTES

Meetings

The next meeting will be on **Thursday, 10th February 2022** to be held at Stoneleigh Village Hall at 7pm.

To view the full details of this and other meetings, including upcoming planning applications, please visit the Parish Council (PC) website at: www.stoneleighshowparishcouncil.co.uk.

There is currently a vacancy on the Parish Council for a Councillor to represent Ashow ward. If you are interested, please see the website for more information and how to apply or contact the clerk.

At the PC meeting in December, we were joined by Sara-Louise Lee and Gurcharan Singh from BBV. They gave the Parish Council a presentation regarding the programme of works locally and traffic management in the area, the details of which can be found on our website. BBV will be updating the Parish Council at every other meeting for the time being, so we will see them again at the meeting on February 10th 2022. The draft budget was also reviewed at the December PC meeting and the 2022/23 precept was agreed at £18,352.

At the PC meeting in January, Cllr W Redford informed the Parish Council that he is attending a meeting with WCC and HS2 in the next two weeks to address a number of complaints that have been received regarding the amount of clearance that HS2 has carried out and their authority to do so.

Cllr Redford has asked for any issues to be marked clearly on a map and forwarded to him or myself at the email address below.

Cllr W Redford has also organised for an officer to visit Crewe Lane and inspect the ongoing damage. He will update the Parish Council at the next meeting.

(See the HS2 update for further information about the activities of HS2 Ltd. in the area).

Don't forget to check out the **Parish Council website** which is regularly updated with local information such as road and traffic issues, HS2 updates and local consultations. It's a great way to find out what's going on locally and get involved. You can find us at:

www.stoneleighshowparishcouncil.co.uk

You can also keep up to date by following the Parish Council Facebook page.

I would like to take this opportunity to introduce myself as the new clerk for Stoneleigh and Ashow Parish Council. I can be contacted in exactly the same way as the previous clerk, although please note that the PO Box address is due to change shortly. I will add the new address to the website when I have more information.

Teams4U Stretton Shoebox Appeal 2020

Dear T4U Supporter

In a year where yet again, the odds were against the appeal in so many ways, the support received has been most welcome! Supporters have continued to gift pre-loved toys & buy essentials, sort donations & craft items, wrap & pack boxes, as well as generously donate money.

**This has enabled Teams4u Stretton to achieve a total of:
2,843 shoeboxes**

These boxes started their 1,400-mile journey from Stretton in mid-November, reaching the vulnerable children and families in Arad & Bihor, Western Romania, in early December.

Our thanks for this year go to:

- Stoneleigh Village
- Stoneleigh Church
- Stoneleigh WI
- Stretton Ladies' Fellowship
- Stretton Village
- Ullesthorpe Golf Club Senior Ladies

.....And many, many individuals beyond Coventry & Warwickshire!!!

Using the donations received, we pack the first half of our boxes in June and send them off to the T4U warehouse in July. We repeat the whole process again in October and these go to the warehouse in early November, ready to go on the lorries to their destinations in Eastern Europe. Behind the scenes a lot of time is spent preparing - filling pencil cases, wrapping soap, counting combs, making notepads, pairing socks, folding colouring sheets - amongst lots of other jobs, to make sure the packing days run smoothly.

While the shoebox appeal is an all-year-round project, by the time other people are thinking about preparing for Christmas, it's usually about time for us to tidy up and take a well earned rest! Please consider that we need just as many new/old/crafted items by the end of May, as we do by the end of September to make this possible.

Happy New Year to you all!

If you would like to volunteer, craft, donate, or can offer help with storage, please do get in touch.
